

Help support the Colorado Select Girls Hockey Association program by doing the things you already do!

With the King Soopers Neighborhood Reward Gift Card, it is as easy as going to King Soopers to shop. CSGHA receives 5% of each dollar you spend with King Soopers or other Kroger Stores (including Loaf N Jug). The card can be used for Food, Pharmacy, and Fuel purchased at the King Soopers stores. This program does not include "Services" such as Western Union, Money Orders, Ticket Master, Postage Stamps, Lottery Tickets, or other Gift Cards.

Here is how it works:

- * Order your reloadable gift card by completing this order form.
- * Attach your payment to the form and return to your Team Manager.
- * You will receive your gift card order from your Team Manager.
- * Begin using your card. When your King Soopers card balance is low, go to a King Soopers register or service desk to reload your card BEFORE you shop. There is a five-minute delay from when you add money to your King Soopers card and when funds are available on the King Soopers card. The King Soopers card must be reloaded in a SEPARATE transaction prior to your purchases being scanned.
- * You can reload your card with any value you choose, up to \$500
- * Begin shopping and use your King Soopers card to pay for your purchases.

If you know others that would like to participate in this program, they can purchase their own card by completing this order form. They might include parents, grandparents, brothers, sisters, aunts, uncles, friends, neighbors, employees, co-workers and more! After all, there is no additional expense to anyone who uses this card they just need to use the card and continue to reload it.

ALL cards must be obtained through our organization in order for it to be linked properly to the Colorado Select Girls Hockey Association. Each team that places an order for cards will receive the credit to their team account for the card numbers assigned to their team. Cards obtained at the store will not be credited to our organization or to your players team. Questions? Please contact our program administrator: Michelle McIver at ma.mciver@comcast.net
