Renaee Orr from MYSA sent out possible changes to upcoming year.  
Currently MYSA goes from August to July but moving to calendar year for age groupings.  
Would be good to attend MYSA president's meeting this month.  
Their changes would become effective January of 2017.  
Plan to put into effect:

- Offsides for U9/10s
- 3 referee system for U9/10s
- 7 v 7 for U9/10s
- goal size for U 9/10s moving to U11/12 sizes
- field size will change as well (for U9/10s and U11/12s)
- U11/12s will go 9 v 9 (roster sizes will grow accordingly)

**Uniforms:** Laurie Jerylo

Bags & warm ups coming this Thursday morning.  
Ben will send out letter to association (letter coming from Laurie).  
Forty orders were placed after deadline.  
Ten families came to pickup expecting to be able to order there (did order but will arrive late since placed late).  
Maybe institute late fee next time around.  
Make family deadline two weeks prior to deadline from manufacturer.  
Perhaps introduce a URL into registration to be able to order uniforms.

**Admin report:** Ben LaFrinier

Coach fee ready to go, need to know who's paying what before sending out.  
Summer registration will open in November (close mid January).

**Tournament:** Molly Sorenson

Tournament committee has yet to meet.  
Deadline for MYSA coming up in October .  
May need to vote electronically about tournament.  
Possibly do planning this year, actually execute next year.  
Short discussion held about merits of having a fall jamboree-type tournament, decided since there is already one being put on by MYSA, may not be in our best interest to try and hold a similar event.  
Actual form for MYSA due in early December.

**DOC:** Kevin Kielsa

Coaches set for this fall season.  
In house started this past week, 5 trainers plus Kevin working with in house T/Th, games Sat.  
Final two weeks, possibly go 1.25 hrs to help with waning daylight.  
Parent volunteers were helping out while trainers running games (parents did the subbing).  
Have 6 groups total (balancing by age)  
Will evolve as they go, higher teams will play higher teams, lower will play lower.

**Fields:** Scott Rice

All fields set now.  
Hole cut out of net on field 7.  
SWP fields are fine.  
Net frame broken at Hanifl, Dennis Smith attempted repair.  
Should file a police report

Those players can attend either game (welcome at either, both genders).  
First 100 players get pom poms.  
Will play scrimmages during varsity game halftime.

May need to reschedule inhouse training for that evening.
