

2015 Cross-Country Running Fundraiser

Script:

Hi ____ (this is name) _____,

I am running on the Prior Lake High School Cross-country team this fall and our team is raising funds to pay for our GPS watches and other team expenses.

We are doing a 2-hour run-a-thon on our high school track on Saturday, October 10th from 8am to 10am. 100 percent of the dollars raised go to help our team.

I am committed to run 30 minutes of the 2 hour block of time.

Can you help me reach my personal goal of \$30 by making a contribution toward this goal today?

(Wait for response).

Thank you very much for your support. **(Checks can be made out to Prior Lake High School).**

Supporters are welcome to come and watch the run-a-thon this Saturday the 10th.

Parent Note: This fundraiser replaces the need for you and your daughter to sell MusicFest tickets in the Spring or selling concessions for 5 hours at an AAU Sunday basketball tournament.

Contributors List			
Name	Address	email	Amount \$ of Support

Tips: Ask Grandparents, neighbors, relatives, others that your family has supported, and parents.

Try and get the largest supporter on the first line. Others tend to give what the first person gave.

All contributions are tax-deductible.

Wait for the persons reply to your question of support before saying anything else.

Money collected can be turned into Coach Saad.

Please bring money collected on Friday or Saturday, October 9th or 10th.

All team members are expected to raise a minimum of \$30. Thank you to everyone for your help with this fundraiser. Any questions: directorulcc@gmail.com
