| Bantam | June 1, 2008 – May 31, 2010 | M, Tu, Th, F 9:15-10:15 or Tu, Th, F 8-9 |

*******There IS hockey practice, even when there is NO SCHOOL*******

Hazen Winter Sports is a non-profit, **PARENT-RUN** organization. Part of our mission is to lead and manage an **AFFORDABLE** hockey program for the youth of the Hazen/Beulah area. In order to do that, we need YOU!

AS A HOCKEY PARENT, YOUR RESPONSIBILITIES ARE:

- Read the Parent Handbook (found on the website: www.hazenwintersports.com)
- Work your required concessions/gate/open skate shifts. Sign up at hazenwintersports.com under the DIBS tab. You will need to set up a member account to sign up. All concession instructions are located on the back of the door in the concession stand.
- Help clean the rink (list is on the same bulletin board as above)
- Provide an email address and read any communications from the Board, Program Director, coaches, etc. This is an important source of information! Give us as many email addresses as needed to receive information any day of the week. Providing ALL parent/guardian emails is also helpful. If you are not receiving any emails, there is a problem! Contact your team coordinator or Dan Frei to correct.
- Consult the website often. There you will find the Parent Handbook, HWS policies and procedures, practice and game schedules, and more. This will be your main source of information! www.hazenwintersports.com

EQUIPMENT (Mites and Termites)-see attached sheet

When you sign up for hockey, you can rent the following equipment from Hazen Winter Sports, free of charge, depending on equipment availability:

| | | |
|----------------|---------------|--------|
| Shin pads | Skates | Jersey |
| Sweat pants | Shoulder pads | Helmet |
| Breezers/pants | Elbow pads | Gloves |
| | | Stick |

You are responsible to purchase:

- Athletic undershorts/garter belt— for protection and to hold up hockey socks
- Optional Equipment: Mouth guard (squirts & under), Neck guard, Skate guards

Skates need to be tied as tightly as is comfortable for your child. Skates need to stay on the black rubber mats to keep the skate blades sharp, which is essential for skating well. If you need to walk on concrete, please wear guards. To care for the blades, make sure they are dry and keep the guards off in your bag. Dressing for hockey usually takes 20-30 minutes. Please take that into consideration and be on time for practice. You can use the lockers rooms here or dress your child at home.

CONCESSIONS/GATE/OPEN SKATE/DEPOSIT

Every family has the responsibility to complete 4-6 shifts (or 2-3 as a couple) per season (The number of shifts is subject to change based on need for scheduled HWS games and events.) If you fail to work the required number of shifts, your \$400 deposit check will be cashed for non-compliance. If you are unable to work a shift you signed up for you will need to find a suitable replacement. Please make every effort to work your shifts. The concessions stand is not only a great fundraiser, but also provides a needed service to those attending events in our arena. We need bodies more than your money! Without your involvement and commitment, this organization cannot succeed!

Welcome to the hockey family! Please don't be afraid to ask questions, jump right in, or get your hands dirty. This is just a snapshot of Hazen Winter Sports Hockey, so please don't forget to explore the website, read the Parent Handbook, and read your email! Together we can continue to grow a strong hockey program and develop competitive players with a strong sense of cooperation, citizenship and sportsmanship.
