

2015-2016 LAA Basketball Timekeeping Rules

All leagues will play 8 minute quarters, running time. The clock will run except during foul shots and time outs. During the last minute of the game, the clock will stop on each whistle.

OVERTIME

Overtime periods are **3** minutes long (stop time) – all leagues. If tied after the first overtime, a second overtime will be played. If still tied at the end of the second overtime, there will be a shoot out. The five players on the court at the end of the game will each shoot 1 free throw. Shots will be taken by the entire visiting team first, then the home team. The team with most made free throws will be the winner. If still tied after the shoot out, the game is declared a tie.

For playoff games, there will be no shoot outs. Overtime periods will be 3 minutes long until a winner determined.

TIMEOUTS

Each coach is allotted **4** time outs per game. Each overtime period allows for one extra time out plus any carried over from regulation play. No time out will be charged to either coach when an injured player re-enters the game. This will be considered an official's time out.

INTENTIONAL DELAY OF GAME (LAST MINUTE)

Any intentional delay of game as determined by the referee will result in a technical foul, (2 shots and possession of the ball).
