Meeting Called To Order: 6:10

Minutes from last meeting are put into motion by Aaron Freeman, seconded by Charley Wayshak and approved as is by the board.

Need more managers, if you know of anyone send them our way.

We discuss registration. We pass around sign up sheets for the board to help out on registration dates. It is brought up that some parents are hesitant about scanning in their birth certificates on the registration. These documents are not viewed by many people. They are stored in our website and are only accessible to a few members of the board.

The board goes over the local rules of our league. Some changes are discussed. For the Farms level, we would like the teams to be set up more evenly. This is when they start developing their skills, including pitching. Discuss keeping score at this level so the kids can learn how to win and lose, but not having the scores be used for standings. Slight changes are made to some league schedule of events. Small changes are made throughout the remainder of the local rules.

The board votes in Tony Neil as Safety Officer for the league. Put into motion by Jimmy Michels, seconded by Ryan and he is voted in.

Field renovation is going well, about done with Phase 2 and almost ready with Phase 3. We need a dry spell to get the grading done. Richard met with Michael Smith, school is fine with the fences for the 50/70 field and the foul poles and the new scoreboard. Got the approval to move the flagpole. Still working on getting approval for a little fence for the Pee Wee field. May paint the Snack Shack and shed to get them looking fresh. Need to find a temporary spot for the batting cage this year and come up with a more permanent solution for next year.

Continue going over the local rule book, making small adjustments here and there to clarify items that are not written clearly.

Jimmy wants Jody Martinez to help him with the Jr. Umpire scheduling. Put into motion by Aaron, seconded by Erik and approved.

Meeting adjourned at 8:42
