SPRING 2015

A note from Tom Kopp, Booster Club President

Greetings Scarlet Nation!

Spring activities are just around the corner with many PAC meetings held this week. Hopefully winter is ending soon and we can start our spring seasons here at West.

With baseball, softball, golf, track, tennis, band and choir activities underway - show your school spirit by purchasing some new West apparel and accessories. Dates and times are listed in the "Merchandise" section of this newsletter.

Thank you to all our volunteers and Booster Club members who have helped so much during the past school year. The West Booster Club is a huge success due to the efforts of so many dedicated Scarlet Supporters.

All Booster Club meetings are held on the 4th Monday of the month at 6:30pm in the Annex building. I encourage everyone to attend a meeting to experience first hand the great things we are doing for our students. I would love to see even more involvement in the upcoming year and welcome your ideas for how the Booster Club can benefit our students' activities even more.

On behalf of the Booster Club, I'd like to congratulate all the winter participants and coaches on their awesome accomplishments this year representing West.

Congratulations to the class of 2015. The entire Booster Club wishes you the best of luck as you begin your new journey.

Go Scarlets!
Tom Kopp

Message from the A.D. - Brian Fell

As we enter the spring season, it's hard to believe how fast the school year has gone so far. It's been a very productive and successful year for the Scarlets this year. So far, we've won five Big 9 Conference Championships and had teams win the state championship (football), place third (boys soccer), fifth (girls swim and dive) and sixth (girls alpine ski). Thanks to everyone who played a part in making the fall and winter seasons successful!

Please remember that as we get into the spring season, all registrations take place online. You can access all information through the Mankato West Activities website.

Concessions

The indoor concession stand was a huge success this winter season with basketball, wrestling and Orchesis.

VOLUNTEERS ARE NEEDED FOR OUTDOOR CONCESSION STAND THIS SPRING.

Please contact Amy Olsen at ajcolsen1969@gmail.com if you are interested and able to help.

Thank you to **Traci Hays** for her many years of coordinating our concession stands at West. Her dedication and "get it done" attitude was contagious and helped to make our concession stands successful, fun places to volunteer and cheer on our Scarlets. You will be missed!

Cara Yaeger has volunteered to step in and fill the Concession Stand Coordinator position. We are excited to have Cara join the Booster Club and look forward to all that she will bring to the concession stand operations.

Thank you to all parents and students who volunteer time and work in the concession stands. We are lucky to have great volunteers who help to make these events a success!

West Booster Club Memberships

As we gear up for the Spring Sports Season with the school year coming to an end, it seems like the perfect time to say **THANK YOU** to our Booster Club members.

Your financial contributions, your membership fee and your hours volunteering, has made this a very successful year. We have been able to fill many requests and have contributed over \$44,000 back to our students and various activities.

Being a Booster Club Member is a great way to show your support!

We would like to encourage you to become a Booster Club member again next school year. We welcome new members and look forward to increasing our memberships to continue to be a strong, successful club. We would not be able to do it without you.

THANK YOU MEMBERS FOR ALL THAT YOU DO FOR OUR SCARLETS!

Booster Club Membership Committee
