I - GENERAL RULES AND REGULATIONS

(1) The Montana High School Association will promote, provide for and control all interschool wrestling activities among the member schools.

(2) The National Federation Wrestling Rules, unless modified by MHSA rules, shall govern all situations. Rule 4-4-1 is modified by Montana's thirteen (13) weight classes:

103 lbs.	138 lbs.	170 lbs.
113 lbs.	145 lbs.	182 lbs.
120 lbs.	152 lbs.	205 lbs.
126 lbs.	160 lbs.	HWT (max. 285)
132 lbs.		

Note: NFHS Rules do not have a minimum weight for the lowest weight class.

(3) The MHSA will follow NFHS rule 4-5 on weigh-in procedures for all regular season matches/tournaments and post-season competition.

Exception: For regular season tournaments that are held on two consecutive days, schools can weigh-in participants the night before the opening of the tournament at their home site with school administration present to verify those weigh-ins. The team participants will still be required to follow NFHS weigh-in rule 4-5 and must weigh-in on site the second day at the tournament site.

(4) The Montana High School Association Executive Board shall establish the starting date for practice and the first allowable date when any matches may be held.

(5) Prior to the date of the first interscholastic wrestling match or meet, the wrestler must participate in ten (10) days of wrestling practice of at least one practice session on ten (10) different days for each contestant (no practice permitted on Sunday). The initial ten (10) practices for each individual must be completed as a comprehensive, regularly scheduled team practice with the full coaching staff.

When determining what constitutes a MHSA practice that satisfies the language above in (5), the following criteria must be applied:

1. **Practice must be at least one (1) hour long.**
2. **At least one full squad (varsity team/J.V. team) and their coaching staff must be present.**
3. **The athlete must participate in the entire practice.**
4. **Practice should include the majority of drills and conditioning that are the norm for that team or squad.**
5. **A practice the day of a contested event does not count (unless an athlete is practicing with another squad that does not have a contested event that day, i.e. a varsity team member who stays home and practices with the JV team that does not have a contested event that day).**

6. **Warm-ups or walk-throughs with the team prior to a contested event does not constitute a practice.**

If a student begins his/her **initial ten (10)** days of required practices and that period of days is interrupted by sickness, injury, academic ineligibility or any other reason for a period of two weeks, then the student shall be required to practice an additional five (5) days and in cases of sickness or injury to produce a doctor's release.

Athletes participating on teams competing in MHSA post season play, which overlaps the beginning of the next MHSA sanctioned activity starting practice date, may be credited for practices during the overlap period toward meeting the minimum practice requirement of the overlapped activity season.

(6) Each individual wrestler may have no more than eighteen (18) contested events (where he/she weighs in and wrestles at the same physical location) with a maximum of fifty (50) total matches prior to the post season. Two of the contested events must be in the city where the wrestler's high school that he/she participates for is located. An individual wrestler may have no more than five (5) bouts in one day. [Note: There is an exception to this rule for a one-day divisional tournament in all classes.]

(7) A one-day invitational tournament (where there is not a predetermined number of matches for each contestant) shall count as one contested event toward season limitations. Invitational tournaments conducted over two (2) days constitute two contested events toward season limitations.

(8) Schools may utilize the "mixer" format for regular season meets. Mixers are defined as inviting a set number of schools to one location, with meet administration matching up the wrestlers from different schools to provide each participating wrestler the opportunity to compete in several matches that day (pre-determined matches in specific weight classes; not bracketed competition). A mixer is an excellent option for teams that can not fill all of their weight classes. A one-day mixer will count as one contested event towards the season match limitations.

(9) When three or more schools take part in a double dual meet wrestling competition held in two separate schools/towns that are located less than thirty (30) miles apart and held on the same day, the following provisions apply:

- a. One weigh-in will be used for multiple competitions that day.
- b. Each dual meet wrestled will be counted as one contested event toward the season limitations.
- c. A school not participating in the first dual will be required to follow NFHS rules and weigh-in one hour prior to their dual.

(10) A wrestling match won by forfeiture will be counted as part of the season match limitation only when the match is used for seeding purposes into the divisional or state tournament.

(11) Divisional and state wrestling tournaments shall be single elimination in the winner's bracket and double elimination in the loser's bracket.

(12) It is recommended that the officials not be seen in the company of coaches, socially or otherwise, at any time during the course of a tournament.

(13) The MHSA office will send ballots to all member schools for selection of divisional, seeding and state wrestling tournaments. It is strongly suggested that each school vote independently for officials for each tournament.

Divisional, seeding and state tournament ballots will be tabulated by the MHSAs office staff. The MHSAs office staff will contact those officials selected.

- (14) No school is required to take part in any contests or athletic events, but once entered, teams are obligated to participate in a contest or athletic event to its normal conclusion unless the contest is terminated by mutual consent of the school officials involved due to unusual weather or game conditions, or situations which could be hazardous to participants or spectators. Any coach is prohibited from unilaterally refusing to play.

If a school fails to complete contests or athletic events that they have entered, the violating school would be subject to penalties as deemed appropriate and necessary by the Executive Director.

No school is required to take part in any game or tournament, but when once entered under the plan outlined, schools shall carry out their part of the program in fairness to all other schools represented. Any team taking part in season play is automatically entered in to the first tournament held in that district or in that division. That team shall not be allowed to withdraw from playing in such tournament without the specific approval of the Executive Director. The penalty for violation shall be as outlined under Penalties, Article VIII, Section (2).

- (15) The MHSAs prohibits any use and/or possession of tobacco, alcohol or other mood altering drugs during competition. Violation will cause the coach or participant to be disqualified from further participation in that event.

II - WEIGHT CONTROL PROGRAM

- (1) In order to be eligible for any interscholastic wrestling competition a student must satisfy the requirements set forth in this plan.
- (2) Each wrestler must certify his/her weight within thirty-four (34) calendar days (December 24, 2019) of his/her first wrestling practice. To be certified, a wrestler must have on file with the school principal or his/her designee a completed WR#1 form. This form will bear the wrestler's name, his/her school, and the dated signatures of the examining physician, the wrestler, his/her parent or guardian, and the coach. On this card, the examining physician will record the lowest weight he/she feels the wrestler may safely attain during that wrestling season. The other parties must sign the form after the examining physician has recorded his/her lowest weight, and by so doing, they indicate agreement with the physician's assessment.
- (3) It is recommended that wrestling coaches and schools monitor weight control of their student athletes through skin-fold measurement techniques.
- (4) It shall be the responsibility of the school administration to see that the above provisions are met as specified.
- (5) Upon completion of WR#1, form WR#2 also must be completed and sent to the MHSAs office by December 24, 2019, which is thirty-four (34) calendar days of the MHSAs published date for the start of wrestling practice. Form WR#2 has appropriate spaces for the name of the school, the completion date, the signature of the school principal or his/her designee, and the name and lowest weight for each wrestler as taken from the WR#1 forms.
- (6) A student who joins the team after the deadline for certification must have his WR#1 Form completed immediately and an additional WR#2 Form must be sent to the MHSAs office prior to the post season.
- (7) There can be no recertification at a lower weight class once the WR#1 form is complete. A wrestler who wrestles in a weight class lower than that dictated by the WR#1 form at

any time or at any level during that season is in violation of these rules.

- (8) The lowest weight class shown on the original WR#1 form for that season shall apply for the entire season. However, a wrestler may compete at any higher weight at any time during the season. If a wrestler weighs in more than one weight class above the lowest weight class shown on the original certification, the wrestler will no longer be eligible to wrestle at the lowest weight class shown on the WR#1. The wrestler must move to at least one weight class higher than shown on the WR#1.

NOTE: A wrestler certified at the 132 pound weight class, who weighs in at the 145 pound weight class after certification, would no longer be eligible to participate in the 132 pound weight class. The lowest weight class in which the wrestler may now participate would be the 138 pound weight class. The purpose of this rule is to allow growth and to discourage unhealthy or unsafe weight loss.

- (9) **50% rule: For health and safety reasons, Montana's weight control program shall require each wrestler to have at least one-half of weigh-ins during the season at the minimum weight the wrestler will compete in during the divisional and state tournament series. The divisional/seeding tournament manager will verify that the wrestler has complied with the 50% rule.**

The MHSAs requires that each school use of a weight management portal through the National Wrestling Coaches Association (NWCA) to track the 50% rule beginning in the 2019-20 school year.

For the purpose of the 50% rule, a valid weigh-in must comply with the following:

- a) The wrestler must weigh-in and compete, i.e. a decision is reached (win, loss or forfeit because of injury or illness).
- b) Weigh-ins for the purpose of the 50% rule can only occur at meets that have been scheduled before the season or rescheduled during the season because of extenuating circumstances with approval of the MHSAs office. **Each school must enter their regular season schedule (varsity and junior-varsity) into the NWCA portal prior to the first scheduled competition of the season.**
- c) A wrestler eliminated on the first day of a tournament cannot weigh-in the second day for the same tournament. Varsity and junior-varsity tournaments are considered separate events and if there is a corresponding junior-varsity tournament, then wrestlers would be allowed to weigh-in and wrestle the second day for the junior-varsity tournament.
- d) For mixers, if a wrestler does not have anyone to wrestle during that event, this weigh-in will count, but this must be approved by the MHSAs office.
- (10) **A wrestler must have weighed in and wrestled at least one time during the regular season in order to be eligible for the post season.**
- (11) A two-pound weight allowance is allowed for regular season matches held on Monday, Tuesday and Wednesday.
- (12) A one-pound growth allowance will be added to each weight class on January 1st and an additional one-pound growth allowance will be added to each weight class on February 1st. The growth allowance also applies to the maximum weight for the 285 lb weight class.
- (13) In invitational dual meet tournaments involving consecutive days of team competition, wrestlers are not allowed to weigh-in at a lower weight class after the first day of competition.

They are allowed to weigh-in or wrestle at a higher weight class.

- (14) Violations of the above eligibility rules shall be dealt with by the MHS Executive Director just as he/she deals with other eligibility violations.

III - DIVISIONAL/SEEDING TOURNAMENTS

- (1) Member schools shall be divided into three classes, the same as classified for basketball as follows:

The top eight wrestlers in each weight class will advance to the state tournament. A sixteen wrestler bracket will be used. When two wrestlers from the same school meet in a match at the state tournament, the maximum points possible will be awarded to the winner. - Each division will hold a divisional wrestling tournament each year to determine the entries for the State Class B-C Wrestling Tournament. Class B-C schools will be allowed to enter a maximum of sixteen (16) wrestlers in the divisional tournament but no more than two (2) wrestlers in a given weight class. For Class B team points at both the divisional and state level shall be awarded to each wrestler; however, only advancement and place points shall be awarded when two wrestlers from the same school meet each other head to head. All sixteen wrestlers from each team have the opportunity to advance to state. For Class C, Team points shall be scored by any thirteen wrestlers as designated by the school prior to the convening of the divisional seeding meeting and only those wrestlers designated prior to the seeding meeting shall gather team points at the divisional and state tournaments.

- The MHS Executive Board will set the dates for each of the four Class B-C divisional tournaments.
- There is an exception to the five (5) bout per day rule: For one-day Class B-C divisional tournaments a wrestler could wrestle more than five bouts in a day.

4. Each division will be responsible for selecting the divisional tournament site and manager. Tournament managers cannot be a coach or an official if that coach or official is participating in the tournament.
- (2) Seeding of contestants for divisional/seeding tournaments shall be the responsibility of each tournament manager. Each school shall furnish to the tournament manager, for seeding purposes, the win-loss record for each contestant it enters in the tournament. Each school is entitled to enter a contestant for each weight class (refer to individual classifications for exceptions). Any wrestler that fails to make the weight that he/she was seeded will forfeit and not be allowed to compete in the tournament.

- (3) All contestants must qualify in the divisional/seeding tournaments in order to participate in the state meet and there shall be no substitution or exception to this rule regardless of reason. If a contestant has qualified in the divisional/seeding tournament and because of illness, injury or some other reason he/she cannot participate, there will be a forfeit arranged in the state tournament bracket.

- (4) The first four place winners in each weight class from each division in Class B-C will qualify for the State Tournament. The first eight place winners in the AA seeding tournaments and the A divisional tournaments will qualify for the state tournament. The tournament manager must certify these qualifiers for his/her divisional to the state tournament manager not later than the Monday morning prior to the state tournament.

In addition to the top four wrestlers at each weight qualifying for the B-C state tournament, each division will wrestle for fifth and sixth place. The fifth and sixth place wrestler will be placed into the state tournament where byes would be present. All fifth place divisional finishers will be first alternates and all sixth place finishers will be second alternates into the state tournament. Alternates will be drawn by the MHSА **after the completion of the divisional tournaments**. The MHSА will notify divisional tournament managers **and the schools involved of the selected alternates**.

- (5) NFHS rule 4-5 on weigh-in procedures will be followed for divisional/seeding tournaments.
- (6) The fee and expense allowance paid to each official who works a divisional tournament must conform to the established fee schedule and expense allowance published in this MHSА Handbook.
- (7) The MHSА Record of Wrestlers' Qualifying Weigh-Ins form must be completed and presented to the divisional/seeding tournament manager verifying that the wrestler has complied with the 50% rule (refer to II-Weight Control Program).

IV - STATE TOURNAMENTS
