

SOUDERTON 2015-16

ICE HOCKEY ACADEMY

LEARN TO PLAY ICE HOCKEY

Souderton Ice Hockey Academy is a program run by the Souderton Area Hockey Association designed to develop players for the School Ice Hockey teams. No prior experience is required, our coaches will teach you everything from what gear you need, to how to skate, to how to score and make the crowd go wild! Players with prior experience that are still too young to participate on a school team are also encouraged to attend.

The program will be held at both Hatfield Ice and Hockey Heaven in Colmar. Sessions will be run by our Varsity and Middle School Coaches, plus current Varsity players. Instruction will be tailored to individual player's ability, with one on one instruction available.

The program starts Monday, November 9th at 7:45 PM at Hatfield Ice. The cost is \$100 for 6 sessions which we have broken into two "seasons". Sign up for one or both! At the completion of the program, players will be evaluated for a position with a Souderton Ice Hockey Middle School, JV or Varsity team, or may choose to further develop their skills in a future "Learn to Play" season.

This is a great opportunity for Souderton students to try this exciting game and play for their School Team in the future. Contact Club President, Bob Johnson, at soudertonicehockey@gmail.com for more information.

FALL SEASON - \$100			WINTER SEASON - \$100		
Date	Venue	Time	Date	Venue	Time
Mon, Nov 9, 2015	Hatfield Ice Gray	7:45 PM	Mon, Jan 4, 2016	Hatfield Ice Gray	7:45 PM
