The school does not want the players in the school during other activities. They want us only to enter the school from the gym area.
8. No sports drinks should be brought into the gym.
9. Each team must have 5 players to start the game.
10. **Un-sportsman like conduct is forbidden, by players, coaches and spectators and will be dealt with on an individual basis. Coaches will be responsible for their players and spectators behavior.**

15. When playing games at St. Timothy's School, please observe the 15 mile per hour speed limit. There are many students living on this campus and they walk both during the day and in the evening. Also no one is permitted to use the second floor. Everyone should be in the gym. We are fortunate to be able to use their gym. We MUST obey their rules and requests as guests.
