## NORCO Serve 50 starts in November!

NORCO will sponsor its first annual Serve 50 Fundraiser in late November. The fundraiser is a simple way for families to raise money toward their account as well as help keep our facility the best in the RMR. Each team will be challenged to raise \$1000 each. Prizes will be awarded for the individual and team that raises the most money.

Our other event will be our "First Annual NORCO Friendraiser and Silent Auction" on Friday, January 8th. This fun evening of socializing will kick off the club season while providing funds to help individual accounts and keep overall fees lower. More information on both fundraisers will be sent out by team managers soon!

NORCO is working with Eastbay again and we are passing on these great savings. Eastbay is offering several shoes, being offered at a discounted rate, but only for a limited time!
