

Board Meeting Date: 01/12/16

Board Members Present: Chad Gomon, Kevin Wood, Katie Gomon, Jimmy Michels, Scott Straub, Sal Lucido, Darin Phelps, Ryan Comiskey, Nate DeJung, Michelle Cook, Erik Thompson, Matt Adams, Kyle Roarck, Sam Hicks, Richard Key, Tim Sarver, Mike Lim, Brett Gripe, Kristi Willis, Jerry Abundis, Aaron Freeman

Guests include Greg Samoa

Meeting Called To Order: 6:34

Minutes from last meeting are put into motion by Ryan, seconded by Darin and approved as is by the board.

Greg from GWS Landscape Company speaks to the board about doing the Weekly Maintenance Contract for this coming season, which includes mowing, edging, blowing, weed control, cleaning around the bleachers and some other miscellaneous duties. He explains about his company and gives the board some soft numbers regarding his pricing for the coming year. Greg will adjust his numbers and resend them to the board for approval. Chad also shows the board the bid that he received from Eric Curtis.

The board goes over the manager's for the coming season. After looking at the numbers we have so far we know where we need to find more managers, we definitely need a few more T-Ball managers.

We give an update on registration. It went pretty well considering it was our first year doing this new registration system. We would like feedback so that we can make next year's registration process even better and more efficient.

Sal and Darin go over the numbers we have so far to let us know how many teams we have per division so far. We compare to the numbers we had last year at this time and see where the league is at as a whole.

Scott gives an update on upcoming assessments. It is at SRHS. We will need to send out an email blast.

Richard brings up field renovations and what can we do. People are breaking thru the fences and doing donuts on the fields. Richard proposed to install a 4 foot fence around the Farms and Minors Fields along with foul poles. Sponsorship funds will cover over half of the cost and we will use the league general fund to cover the rest, anticipating that we will raise more money to help cover the balance. Erik put into motion, seconded by Michelle Cook and approved by the board.

Meeting adjourned at 8:45 ish

Next Board Meeting: 01/26/16
