Discussions: Membership numbers have remain static so a plea to all association members to have their members subscribe so that they are informed of all upcoming event and news, otherwise the primary point of contact person will be responsible for all information getting to their respective members.

There seems to be confusion regarding "Travel Teams" whether the league made a definitive decision on the "requirement" of the league members who do not live with in the near proximity of the event to use this service. Concept is that a commission will be kicked back to the league so that in the future Tournament fees will not be raised and it will help offset rising costs. Concerns about the rates are higher (\$15 per night was quoted by Doebling) and becomes an added expense to out of town/State teams but a benefit share by all including those not having to get lodging. Does this also have minimum night stays that teams and/or the league is responsible for reaching and are there penalties associated with it? Discussion to come further in near future email.

Parent Behavior concerns resulting a the previous weekend of games between Summit and Colorado Select. Parent confront opposition player off the ice. Discussion was brought up as to reminding association parents that there behavior could trigger a safe sport violation which could lead to future actions by CAHA and

the League. Both Lutz (Select) and Schlegel (Summit) stated that they are both doing internal investigations and will report back once this is done. Both Parties seemingly want to cooperate and find an agreeable solution with out too much fanfare.

CAHA State Tourney revisited and new discussions with in CAHA about changing the dates to a later time. Only 4 teams have apparently registered (Aspen 12U, Aspen 14AA, Aspen 19U and another 12U Denver area team). The likelihood of any other team from MSGHL registering is low but a change in a later date has no conflicts with the MSGHL League Championships.

Concerns about Jordan (New CAHA Girls/Womens Rep) not attending any MSGHL Conference calls nor reaching out to members is a general concern by all in attendance. Greg Johnson said he is willing to reach out to Jordan about this.

Adjourned.
