

In October 2016 MPLS Storm will take a group to Sweden for a one week trip over MEA weekend.

Parents are welcome and encouraged to come, but it is not mandatory as we have taken kids without parents on five prior trips with no issues. We will bring no more than 35 players. More details are as follows:

WHO: Boys or Girls in the approximate age category of 11 - 15. While the trip is a MPLS Storm Trip, kids/friends from other associations are welcome. Invite them if they are interested in more info.

WHEN: October 19-26, 2016. We most likely will leave 10/18 in the evening.

WHERE: Västerås, Sweden. Västerås is located 60 miles west of Stockholm, Sweden on Lake Malarna. It is the sixth largest city in Sweden.

HOSTS: The kids will play hockey and bandy with the Tillberga Bandy Klub (TBK) and the Västerås Ice Hockey Klub (VIK).

WHY: To spend a week of Bandy & Hockey training and competition in Västerås, Sweden.

In addition to on ice training there will be off ice activities, including visits to schools, a social time with local Swedish youth, touring the town and region, plus a day to visit and learn about Stockholm. In the past, we have played Innebandy/Floorball, gone to a Professional Hockey Game, attended schools, and done an overnight in a Swedish home. All activities are dependent on their game schedules.

ICE TIME: They will get A LOT of ice time while there - both on the bandy rink and hockey rink.

Stockholm, Sweden - We will take one day to go to Stockholm; visiting the Vasa War ship museum and the Old Town (Gamla Stan).

LEADERS: Steve Jecha and several coaches and parents to be named later. Steve Jecha played four years of college hockey and 20+ years of international level bandy in Sweden, Norway, Finland, and Russia.

COST: To Be Determined, but estimated at \$1,950 for kids, \$1,850 for adults. This includes airfare, transportation from Stockholm Airport to Västerås and back, vans, lodging, ice time and breakfasts.

LODGING: The group will stay at a local hotel in Västerås located a walking distance from the Arenas.

FOOD: Breakfasts are provided. Lunch & Dinners will be at local restaurants.

PARENTS: Parents are welcome to come, but it is not mandatory for each child to be accompanied by a parent. In the past, many parents have taken a day for themselves in Stockholm in addition to our group going there.

*** FUNDRAISING**

Fundraising is an option to knock down the cost of the trip and we have done some in the past (pancake breakfasts, etc.). This would need to be parent organized and driven.

OPTIONAL BANDY CAMP:

To understand and play bandy, players can attend the Swedish International Bandy Camp in August at the Roseville Ice Arena. The Storm has sent over 300 participants to this camp and they have loved it! At camp the players will be instructed in on-ice, dryland and classroom game tactics by Swedish National Team Coaches and other International coaches. More info available.

PASSPORT: Current passport is necessary to go to Sweden

WHEN DO YOU NEED TO CONFIRM?:

Right away. Not only do we anticipate the group filling rapidly we also need to confirm with the travel agent the names of the passengers. A down payment of \$500.00 is due on April 1 payable to "ScanMark". The balance is due September 12th.

YEP, I WANNA GO!
