Get Wet For A Great Cause

We're raising money this year for Camp Gross

Camp Gross is a youth camp, operated by the Camp Gross Foundation located in Cassadaga. Their mission is to provide the youth of Chautauqua County with an excellent, safe, handicap accessible up-to-date Camping Facility open year round. Youth groups using Camp Gross are enabled to advance their goals of personal growth in knowledge, skills and attitude. The Foundation is constantly working to increase usage by all organized youth groups but is in need of funds to do so. They need the support of community groups such as the NCCYHA.

Please **TAKE THE PLEDGE** to jump in. Ask your friends, family and coworkers to sponsor you. If you raise \$50 in pledges you'll earn the right to get wet!

Donations gratefully accepted.
