The screenshot shows the Buckhead Baseball website interface. At the top right, a light switch control is circled in red, with 'EDIT MODE' on the left and 'USER MODE' on the right. Below the navigation bar, the 'MAJORS BRAVES' section is visible. A calendar table shows dates from February 23 to March 6. A red arrow points to the 'QS' link in the 'STATUS' column of the game list table for Wednesday, February 27.

The screenshot shows the 'EDIT GAME QUICK SCORE' form. It includes a 'Game Status' dropdown menu, 'Scores' input fields for MAJORS Braves and MAJORS Astros, and a 'Comment' text area. A 'Save' button is located at the bottom of the form.

Update the Game Status to "Final" for a complete game, or "Pending" if the game is tied, or suspended due to weather or other circumstances. Then input the scores for each team. Click "Save" and the scores will be updated across both Team pages, as well as the scoring displays across the Buckhead Baseball website.
