Other items that were talked about randomly were:

- Discussion that we need to look into the \$1500 donation that was made to the summer rec program, we don't want to lose that money if it is not spent. ? was made if that was to be split between BB and SB?

- The need to inventory items, so we know what we have and make city an offer as to lease vs us buying (owning) equip.

- ? Storage for equipment at city

- Making sure that we include larger items (pitching machines, line markers, etc.) when getting a commitment from the city.

- Various brainstorming ideas were thrown out for fundraising, the committee members have a lots of experience and good ideas. (? a fall end of season cookout) to kick off our NEW FYBL.
