

Pacer Wrestling News - Week of February 22 - STATE!

Congratulations to Lucas for qualifying for state! Here's info for everyone on the week:

Anyone who would like to come along for the state tournament should let me know as soon as possible. We are already working on travel and hotel accommodations for coaches, managers and participants. We may have limited room for other members of the team who want to come. They would have to plan on paying for admission and covering a share of the room charges. More details will be forthcoming, but anyone who is interested in traveling and staying with the team should let me know as soon as possible. I will let you know what hotel we are staying in - any families who would like to stay would be welcome to stay in the same hotel.

I am tentatively planning on leaving after chapel/homeroom Bible study on Thursday to be there in plenty of time for Thursday evening's weigh in and competition, but that is subject to change at this point.

All non-qualifying wrestlers should bring their uniforms in to the stage after school this Mon-Wed and hand them in to a manager.

Practice Schedule:

Monday - 3:12 - 5:25

Tuesday - 3:12 - 5:25 (**All** wrestlers should come to help clean and put away the mats that are in the commons. Those who need to may leave afterward.)

Wednesday - 3:12 - 4:30

We will need wrestlers to come to practice to be practice partners with Luc. All wrestlers are invited to participate. If you are under 145, I am hoping you will be available to help.

All wrestlers should come to help clean and put away the mats that are in the commons. Those who need to may leave afterward.

I will let you know more as plans become finalized!

Information on the state tournament at Madison can be found at:

<http://www.wiaawi.org/Sports/Wrestling.aspx>

Thursday weigh-ins are at 5:00; Wrestling to start at 7:15; Luc's match will come up pretty quick.
