Guardian's Name _____ Guardian's Signature _____

1. What is the most important rule of firearm safety?

- a) Shoot only authorized targets
- b) Always keep the firearm pointed in a safe direction
- c) Be sure the gun is in good repair

2. When you arrive at the Range (A, B, C or D), what must you do?

- a) Take your firearm to the firing line
- b) Open the storage area of your vehicle
- c) Wait at your vehicle for the Range Safety Officer to check you and give direction

3. Why do we ask you to carry your firearm pointed skyward?

- a) Avoids pointing the firearm accidentally at a person
- b) Keeps the muzzle pointed in a safe direction
- c) Both A and B

4. When can a shooter call a cease fire?

- a) When their gun is empty
- b) When they see an unsafe condition
- c) When they want to check their target

5. If the Range Safety Officer gives an instruction, you must:

- a) Ask "why?"
- b) Do it immediately
- c) Wait to see if others do it

6. When is it safe to place your finger inside the trigger guard?

- a) When you are starting to raise the firearm to aim
- b) Anytime after the RSO says "Fire at will."
- c) When the firearm is on target and you are ready to fire

7. During live fire, where must the muzzle of the gun be pointed?

- a) At the backstop, within a 45 degree angle of control from the target centerline
- b) Skyward
- c) Toward the ground

8. Youth under 12 years of age who enter the range MUST wear:

- a) Gloves
- b) Ear plugs
- c) Ear muffs

9. Is rapid firing of semi-automatic firearms permitted?

- a) Only with permission from the RSO
- b) Yes. As long as you appear to have good control of the firearm.
- c) No. Your rate of fire should not exceed one round per second.

10. Can you use personal targets?

- a) Yes. Any paper target is acceptable
- b) The RSO must approve any target not supplied by HPSP
- c) Targets of any type may be used

11. What ammunition is permitted at the Rimfire "Plinking" range?

- a) Any rimfire, including .17 caliber
- b) Any .22, including 22 Mag
- c) .22 rimfire only (22 Long Rifle or slower)

12. Are shooters permitted to collect brass from the range?

- a) Shooters should leave their brass where it fell
- b) Shooters are welcome to collect brass placed by others in the bucket
- c) Shooters are welcome to take their own brass.

13. What types of ammunition are prohibited?

- a) Any military surplus
- b) .50 Cal. BMG, tracer ammo, and steel core or armor piercing
- c) Handloads

14. Is prone shooting permitted?

- a) Yes, but only bolt action rifles
- b) Yes, with permission of the RSO
- c) No. Prone shooting is prohibited at all public ranges

15. Put in order the actions you should take when a "Cease Fire" is called.

- A. Insert Empty Chamber Indicator
- B. Step behind the Yellow Line
- C. Immediately remove your finger from the trigger and stop firing
- D. Remove magazine and unload firearm
