

## **2016 Minnesota Hockey Nominating Committee Report**

**Submitted by: Dennis Green, Committee Chair**

### **Tuesday, April 12<sup>th</sup> Report**

Per the 2015/2016 MH Handbook, Article 7 Board of Directors, Elections, #3. "In the event no candidates have been identified for a position in an upcoming election when the two week notice is generated, the nominating committee chairperson shall convene a nominating committee..... "The nominating committee shall solicit candidates, insuring that there is at least one candidate for each open position, and notify all current board members of candidates that have been identified at least two days prior the annual meeting....."

In the case below, no one had expressed an interest in being a candidate for VP Maroon Coordinator at the time the two week notice went out to the BOD's. Even though a nominating committee was not formed to solicit names, Scott Dornfeld has come forward to indicate his desire to be a candidate for the VP Maroon Coordinator.

Per #2 under Elections, "any additional individuals interested in being a candidate for that position must be nominated from the floor at the time of the elections". This holds true for any of the positions stated below.
