Meeting Called To Order: 7:09

Minutes from last meeting are put into motion by Kevin, seconded by Michelle and approved as is by the board.

We need more umpires. Ryan has a few that are ready, they have just been nervous. Michelle brings up someone who has requested to ump and a discussion ensues. Chad will talk to the individual and report back to the board.

We discuss a few things about the Hit-A-Rama. Richard would like to have the instructions written out so we can post on the website as well as the schedule. Sports Authority will have a presence on this day, not sure what they plan for. Richard goes over some things he still needs. Ryan England will handle the younger divisions in the morning on the minors field while Richard will handle the older kids on the 50/70 field. Chad will check in with Bill Verity about a portable PA system.

Movie Night – still no date yet. Only one day in May was available for the school gym. Richard will need at least 3 weeks to calculate all the totals from the Hit-A-Rama before we can do Movie Night.

Tie Games and Rainout Games – how do we want to handle this? With a tie in minors, it is suggested to give the teams one extra innings and then call it. Ryan wants more innings available for majors and 50/70. Richard suggests also using travel ball tournament rules in 50/70 and majors.

Protective netting is definitely needed at Schopflin, a child was hit the night before at a practice. It is also needed on the minors field. Ryan C will see if he can use his work truck to put up the netting at Schopflin.

We discuss a parent issue that is a safety concern for the league. We are going to take steps regarding this. Another parent issue is brought up and more discussion ensues.

Minors Tournament – We need to start getting this organized. We need people in charge of umpires, scorekeeping, grounds crew, hut, announcing. Everyone needs to step up and help with all of this. Kevin will put an outline together so we can start getting this set up.

The Prune Packers have reached out thru Dave Wood to see if anyone would be interested in hosting 4 of their players. We will send an email out to the board and see if Dave has anyone else in mind that he would like an email sent to.

Another discussion ensues regarding umpiring. Kevin is helping with umpire emails during the day because Jody is unable to access her email until 4:00.

Meeting adjourned at 8:29
