## PROGRAM FOR BOOSTERS (Parents & Family Members)

---

people every year and this date is set in conjunction with our overseas partners, tournaments, and airlines in order for us to complete all arrangements and issue documents in a timely manner.

**Guaranteed Tour Price:** The tour price has been computed with all current tariffs, taxes, and exchange rates taken into account and is guaranteed in US dollars until the deposit due date in the Registration Conditions. If your deposit is received by this date, this is the price that you will pay based on the tour and tour inclusions/exclusions. If your deposit is not received by the deposit due date, United Soccer Academy reserves the right to re-compute your tour costing based upon current tariffs, taxes, and exchange rates in effect on that day which may result in a different price.

**Group Size:** The tour cost is based upon a minimum of 30 full paying participants which must be met in order to maintain the guaranteed price. Falling below this minimum number could alter the tour price.

**Passports and Visas:** Please note the difference between a passport and a visa. A passport is issued by the government of citizen's nationality and must be shown upon request to airlines and immigration officials while out of the country of residence. A visa is issued by a government for temporary travel of a foreign national into that country. All travelers must possess a passport with at least six months validity after the scheduled return. For US citizens, a passport is all that required when traveling to most European countries. For non-US citizens, please check with the appropriate consulates of the countries to be visited for information on possible visa requirements. Please refer to the US Government website on passports at <http://www.travel.state.gov> for additional information.

**Late Bookings and/or Deviations:** Many airlines require deposits on each individual seat booked to be paid within twenty-one days of confirmation of the airline space. Bookings made after the original allotments of airline seats have been used require additional airline seat requests which are subject to that specific airline's rules. No guarantee is made that the airfare or the terms will be identical to the groups. Land arrangements under these circumstances may be subject to current tariffs and exchange rates in effect at the time of booking which might be different than the groups.

**Contracted Airfares:** Any deviation from the confirmed dates and flights of the group could result in a different airfare. Those traveling on different days or flights from the group may be subject to individual contract airfares which might have different fares or different rules than the group. After the tickets are issued, name changes at least 48 hours prior to departure can be done for a fee of \$200.00 per change. Airline tickets are non-refundable once issued. Changes will be subject to a \$200.00 change fee plus any fare difference. Additional restrictions may apply.

**A Note on Pricing and Airline Taxes/Fuel:** The airline negotiated base fare is guaranteed. Taxes and any airline related fee such as fuel surcharges are not included in the tour price. Airline taxes and other fees such as fuel surcharges will be additional to the tour cost and added to the Final Invoice. Once the airline tickets are issued (ticketed) if there is a difference between the calculated amount at the time of the Final Invoice and the actual amount on the date of issue, a Supplemental Invoice will be issued. Additionally, the re-calculation of airline ticket taxes due to international exchange rates (since all foreign taxes are subject to this even if the actual tax amount in the foreign currency doesn't change), might result in an additional cost after Final Payment. The total amount of any changes will be reflected in a Supplemental Invoice for all travelers.

**Luggage:** As of August 2015 the maximum weight for each checked luggage to/through/from any destination in Europe is 50lbs/23kgs (subjected to change). Each passenger is allowed two checked bags and one carry-on. Please note luggage rules and restrictions are subject to change. United Soccer Academy will keep the group informed of any new policies and restrictions.

**Boosters:** Boosters are parents, siblings or family members that are participating on tour with the group. Boosters are made mentioned to in the group itinerary. A registration form along with a \$300.00 deposit and signed condition form will be needed for each participating booster.

**Cancellation Policy:** Please be aware costs are incurred long before teams depart on their international soccer tour. Deposits and payments are paid to suppliers (airlines, hotels, motor coach companies, and tournaments) throughout the process and all suppliers are paid in full within 45-days of the trip departure. Therefore, we have strict guidelines regarding cancellation based on our suppliers overseas. Please note that notification of cancellation must be in writing or by email and received by the dates mentioned below. Please note deposits are non-refundable. The cancellation penalties outlined below are in addition to the \$300.00 non-refundable deposit. There will be no exception to the terms and conditions regardless of reason including injuries and medical issues. Travel insurance is highly recommended.

- **From date of enrollment to 91-days to departure:** Full refund less a \$100.00 cancellation fee (exclusive of \$300.00 non-refundable deposit).
- **Between 90 days to 60-days to departure:** Full refund less a \$250.00 cancellation fee (exclusive of \$300.00 non-refundable deposit).
- **Within 45-days to departure:** All funds paid into the traveler's account will be forfeited due to late cancellation.
