TOM SCHEUERMAN

Tom Scheuerman devoted his life to serving others. Making life better for kids was his highest priority. Whether it was serving on the District 834 School

Board, coaching young athletes, sharing his faith with teens through Young Life or working with urban programs, Tom was a tireless servant. May his legacy live on through those he loved and inspired.

Last year more than 350 young people in the St. Croix Valley benefited from Young Life’s unique blend of fun and reflection. Young Life’s seven programs in our community provide mentors, tutoring, fun, group support, recreation, camping, counseling, and Christian fellowship. All kinds of kids benefit from Young Life, including senior high students, junior high students, alternative students - as well as their family, friends, and the entire community!

For more information or to register, visit scheuermangolf.org

You can be part of enriching a young person’s life while enjoying a great day of golf and an enjoyable evening on the St. Croix River.

With your individual golf entry you will receive two tickets to the dinner cruise, as well as golf for one at the Stillwater Country Club, which includes your green fees, a shared cart, gift bag and buffet lunch.

The Dinner Cruise will be aboard the Avalon on the St. Croix River. The cruise will include dinner, a putting contest, and the silent auction.

Please join us this year as we continue to support the two great organizations of Young Life - St. Croix Valley and Scheuerman Youth Fund.
