- Development Coach Practice Evaluation (to be done by Baseball NCCP MLF)
- Development Coach Game Evaluation (to be done by Baseball NCCP MLF)

*The Absolutes will replace Skills Analysis on 29 February 2016. For anybody who took the Skills Analysis Clinic prior to this date, it will not be necessary to take the Absolutes Clinic. For anybody who has not taken a Skills Analysis Clinic prior to this date, they will not be able to take the Skills Analysis clinic and must take the Absolutes clinic instead.

Common Questions about Baseball NCCP Certification

- How do I get started?
 - o Go to nccp.baseball.ca and create a profile. Before you take any classroom clinic, you must complete the Online Initiation module.
- Do these clinics/modules cost money to attend/do online?
 - o Yes. However, almost all – if not all – Associations on PEI will cover the costs for their coaches to take NCCP clinics/modules. Check with your local Association to confirm.
- How long are the classroom clinics?
 - o They are usually four hours long.
- Can I get all of these clinics in one year?
 - o If you wanted, you can get all clinics/modules to be Provincially Certified in one year. Comp-Dev takes longer generally. The usually take place in the spring, before the season starts.
- Can I take all of these clinic on PEI?
 - o You can take all clinics to be Provincial Certified here on PEI. Modules to become Comp-Dev Trained or Certified do not usually take place on PEI.
- Do all coaches on the bench need NCCP certification?
 - o For all Provincial Tournaments (Eliminations and Championships), all coaches need their proper NCCP certification to be on the bench.
- I took my NCCP certification under the old system (levels). What do those levels translate into in the new NCCP system
 - o Level 1 Certified in the old system is now Regional Certified, provided you complete the online “Make Ethical Decision” evaluation (which can be found at nccp.baseball.ca).
 - o Level 2 Certified in the old system is now Provincial Certified, provided you complete the online “Make Ethical Decision” evaluation (which can be found at nccp.baseball.ca).
 - o Level 3 Certified in the old system is now Comp-Dev Certified, provided you complete the online “Make Ethical Decision” evaluation (which can be found at nccp.baseball.ca).
- What NCCP certification do I need to coach at Atlantics and Nationals?
 - o Please see Baseball NCCP Progression above.
- My question is not covered here.
 - o If you have any questions, you can email Baseball NCCP LF Desi Doyle at isedelyod@yahoo.ca, or Baseball PEI at baseball@sportpei.pe.ca.
