## **Board Elections**

Sharon McGreen was voted in for a one year term. The by-laws state that the Board consist of 13 members. There are currently 12 members and one open spot as Todd Dougherty has resigned from the Board. We will actively compile list of names of who may be interested in filling that spot.

The following are nominated to be on the Executive Board:

Keith Labrecque: President  
Bill Brew: Vice President  
Jack McGreen: Treasurer  
Sharon McGreen: Secretary

Mike Mulvey will need help next year with House Program. We need to appoint someone as the new Registrar. Courtney Wright will consider this position. Sean Lyons will be new Coaches Director.

## **Treasurers Report**

There is approximately \$180,000 in the bank at this time. The organization had approximately 400 skaters this year.

## **End of Season Survey**

We will conduct survey once again through a website like Survey Monkey. Joe Gately offered to help organize the survey.

## **Review of Tryouts**

There are some things that need to be adjusted. Suggestion is to have a fresh evaluation sheet each session. Too many board members should not be involved in evaluations especially if their kids are trying out. Another suggestion is to “swap” evaluators (i.e. SRI evaluators go to Newport to tryouts and vice versa). Coaches’ opinions in evaluations should hold some merit.

SRI received around 4-5 emails from unhappy parents about tryouts. Another suggestion is to have a written tryout policy on website so parents know what to expect. Joe Gately indicated that he will handle responses to unhappy parent emails.

Another concern is if SRI Player plays on a “select” team and what the rules are about playing on SRI team. Which team takes precedent?

## **Other Business**

A suggestion came up to hold Mite Tryouts in the Spring as other organizations around the state currently do this. We will consider this for next year.

Meeting adjourned 9:00pm.

Respectfully Submitted 5/4/16

Sharon McGreen, Secretary
