

Lakeville Hockey Association Sponsorship Opportunity

LHA has purchased divider boards for our 8 and under kids. The boards were added to the program because it allows us to take our ice and divide it into more appropriate sized rinks for younger kids. Smaller ice sheets for mite/U8 hockey is not only something our coaches and director believe is best for these kids, but also follows the USA Hockey Development guidelines.

To help pay for the boards we are offering advertising sponsorship. These boards are set up at nearly all practices, games and tournaments at Ames arena. This age group fills the stands with parents, grandparents and relatives enjoying hockey. This is a great opportunity to get your company recognized around Lakeville and support your community.

What do you get?

1. Your 30"X90" professionally designed logo permanently installed on the front AND back of one section. Your business logo will remain in place for the 5 years.
2. Recognition on the LHA website.

Cost: \$1,750 (One-Time Fee) Great value- only \$350 per year!

We have many sponsorship opportunities that can be specifically designed around your budget if this isn't the perfect fit. Please contact the sponsorship director ASAP if you are interested.
