RE: SHSAA Badminton Tie-Break

The SHSAA office has received a few inquiries at the start of the high school badminton season in regard to the badminton tie-break as written in the SHSAA handbook (p. 83). To help clarify the tie-breaking steps for competitions occurring as round-robin pool play please refer to the following excerpt from the BWF General Competition Regulations.

16.2 In case of Individual Championships:

16.2.1 Ranking in individual championships will be established by the number of matches won.

16.2.2 If two players / pairs have won the same number of matches, the winner of the match between them will be ranked higher.

16.2.3 If three or more players / pairs have won the same number of matches, ranking will be established by the difference between total games won and total games lost, with greater difference ranked higher.

16.2.3.1 If this still leaves two players / pairs equal, the winner of the match between them will be ranked higher.

16.2.4 If three or more players / pairs have won the same number of matches and are equal in the difference between total games won and total games lost, ranking will be established by the difference between total points won and total points lost, with greater difference ranked higher.

16.2.4.1 If this still leaves two players / pairs equal, the winner of the match between them will be ranked higher.

16.2.4.2 If three or more players / pairs are still equal, then ranking will be established by drawing lots.
