## INFORMATION BULLETIN

**Bulletin #:** I2021-007  
**Date:** Feb. 1, 2021  
**To:** Ontario Soccer; District Membership, ORA and Associate Members  
**CC:** Ontario Soccer Board of Directors, Staff  
**From:** Johnny Misley, Chief Executive Officer  
**Subject:** Return to Play Membership Survey Results

Ontario Soccer, in consultation with Canada Soccer and the Government of Ontario, continues to monitor the most recent developments surrounding the Coronavirus (COVID-19) pandemic, the resulting public health crisis and Ontario Soccer's Return to Play Plan.

In November of 2020, the Ontario Soccer membership took part in a Return to Play survey, which sought input on how Return to Play had been implemented for our sport across the province, during the ongoing public health crisis.

Thanks to the membership of Ontario Soccer, we received a significant response to our Return to Play Survey and that data has directly assisted us in reviewing the impact that the [Return to Play Guide and Plan](#) had on the community as well as how membership have managed through the pandemic.

Survey data collected has assisted Ontario Soccer with our Return to Play strategy and will also be shared with the Ontario Government and Canada Soccer so they better understand the challenges facing our sport.

**The results of the survey data can be found on [OntarioSoccer.net](#).**

The Return to Play process has not been without its challenges and Ontario Soccer will continue to assess how membership is managing through the global pandemic throughout 2021.

Thank you for your participation and we wish the membership the best of health and safety during these unprecedented times.
