Dear sector leaders,

B.C.'s Restart is the province's step-by-step plan to bring us back together. We have received clarification from the PHO around local travel, the number of participants allowed and safety plans. They have confirmed the following for Step 1 of the reopening of sport:

- Local game play and practices: Staying local means playing within your home club until Step 2 is announced.
- Maximum participants: Up to 50 participants are allowed for adult outdoor sport activities with no spectators. Children and youth outdoor sport activities have no maximum participants to accommodate the potential need for additional adult supervision. Spectators are not permitted at any sport gathering.
- Safety plans: To simplify the process, adjust your current safety plans with [Step 1 of B.C.'s Restart plan](#) in mind.
- Please remember: The intention of the Restart plan is to slowly return to activities. Organizations are asked to turn the dimmer slowly when planning sport programming.

We are in the early days of a very welcome to return to sport. As we expected, this is a step-by-step process and how quickly we move within the steps depends on rates of immunization, infection and hospitalizations in B.C. We are optimistic that a full return to sport is coming soon.

For more information, please do not hesitate to reach out to Jared, me, or info@viaSport.ca

Sincerely,

Charlene Krepiakovich
CEO, viaSport BC
