# PLAY UP REQUEST FORM

**\*\* Form Must Be Submitted No Later Than 3 days before Tryout Date\*\***

Wright County soccer players are placed on teams within their actual birth year. We feel that this is the best environment for proper player development. There are rare cases, however, where playing up to an older age level is the better option for a player. This decision is made by the Director of Coaching & Player Development. Note: *The decision to allow a player to play up is made year by year and the opportunity to play up now does not guarantee the same opportunity in future years.* Players must submit this form every year for re-evaluation.
