## Let's Play Hockey! Go LIONS!

The Legacy Lions Boys Hockey Program is a co-op team comprised of students from PACT Charter School, Concordia Academy Roseville, Spectrum High School, Calvin Christian School and Legacy Christian Academy.

Silver Trip 2015

Legacy hockey has come a long way in 10 years. 10 years ago, Legacy skated onto the ice as an untested, opportunistic junior varsity team. Now, through the dedication, hard work and perseverance of athletes, coaches, and parents it skates on as an established varsity team.

I am proud of what this team has accomplished in 10 years and thankful for the extraordinary job Coach Larson and his staff have done training these young men not only to be excellent hockey players, but men of teamwork, discipline, sacrifice, and Christ-like living.

Fans, thank you for your support, your enthusiasm, your sportsmanship and your representation of Legacy Christian Academy (and our other cooperative schools) as you cheer on the Lions. We thank God for the opportunity to watch this team and look forward to the great moments this year promises.

**GO LIONS!!!**

## **Welcome to another season of Lions Hockey!**

Since 2008, the Lions Hockey program has been a unique one. Players from 5 area schools join together to create an opportunity for each of them to competitively play the game they've come to love. The athletes set aside fall or spring rivalries and eagerly skate alongside each other, building each other up, and creating a space for God to be at the center of their game.

The leaders of this team challenge players in both physical ability and character development daily. They have a heart for hockey and for sharing that love of the game to the next generation of players. In fact, each season the team opens up their locker room during Legacy's Homecoming celebration to invite youth players to peak behind the scenes. Check our schedule for this year's opportunity and plan on joining us!

As we skate into another season on the ice, we thank you for your support in the stands and for creating a welcoming environment for all who enjoy the game of high school hockey. Know that our team will work hard as they incorporate the Legacy Athletic core values of SCHAPE (Spirit, Communication, Hustle, Approach, Precision & Enhance) throughout their season.

**Sarah Klawiter**  
Athletic Interim Director

**Now in Minnesota fashion... LET'S PLAY HOCKEY!**

# HISTORY AND PHILOSOPHY OF THE LEGACY CHRISTIAN ACADEMY LIONS BOYS HOCKEY TEAM

The Legacy Lions are coming off of their 8th varsity season in the program's hockey history. In their first season as a varsity team (2008-09), the team won 4 games. In the following two seasons, the team registered 3 wins and 8 wins respectively. At the start of the 2011-12 campaign, the goal was to finish with a .500 + season and advance in the Section 5A playoffs; and the team did just that! Finishing the season with a 13-11-3 record, the team won their first post season playoff game by defeating North Branch by a score of 4-0!

Entering into the 2012-13 season the Lions set a goal to win 17-20 games. Winning a team record 19 games the Lions finished the season with a 19-6-2 record and went on to rewrite their record book. They won their first mid-season tournament championship when they won the Silver Bay Christmas Tournament. They set team records as follows: most consecutive wins in a season (10); highest per game "goals for average" (5.20); lowest per game "goals against average" (2.07); and most shutouts in a season (8) to name a few. For the post season, the Lions were awarded a first round playoff bye (the first time ever) and went on to lose a close section 5A quarter final game to Rogers 3-1.

In 2013-14 the Lions put together another solid season. Once again, they established themselves as a team to be reckoned with in the Two Rivers Conference by putting together a 7-4-0 conference record. The 12-13-0 record overall earned the Lions a #7 seed in the Section 5A Playoffs. After defeating Moose Lake, the Lions were eliminated by the #2 seed Princeton Tigers.

During the 2014-15 season, the Lions had a very rough start losing their first four games. But with hard work and commitment the team rallied and went 13-8 in their last 21 games. As a result, in just their seventh varsity season, the Lions won their first-ever Two River's Conference Championship! They did so by compiling a record of 8-2-0 in the conference and finishing 12-14-0 overall.

Defending the Two Rivers Conference Championship was the goal for the 2015-16 season. However, this was not to be. The season started off tough for the Lion's losing their first three games. Then, over the next eight games the Lions went 4-4. But The Lions were never able to climb out of the hole. Seven one goal losses over the course of the season ultimately took its toll. The Lions finished 5-5 in the conference (with each of those conference losses by a single goal). The result was a 3rd place conference finish and a 9-18-0 record overall.

As the Lions enter the 2016-17 hockey season, they will need their returning players to fill some significant roles. Legacy graduated their top scoring forward and three of their top five defensemen. However, the Lions will return a strong and developing core of goaltenders. They will also have two forward lines that are capable of providing a significant offensive threat. Perhaps the biggest unknown will be the depth of their defensive core. Legacy will return only one veteran defenseman with several other players competing to fill in the remaining spots. If the team can accomplish their simple formula of reducing their GAA by reducing shots allowed, the Lions are capable of once again competing well in the Two Rivers Conference. It will be fun to see who rises to the challenge! We appreciate all of your support and hope you have fun watching the Lions compete in this their 9th varsity season!

Legacy Christian Academy is committed to developing a first-class high school hockey program. Our goal is to win and honor Jesus Christ in the process!

The goals for the Legacy Christian hockey team are as follows:

- Strive to put Jesus Christ first in all we do.
- Learn to win with class and lose with grace.
- Develop the skills (physical, mental, emotional and spiritual) that are necessary to become the best hockey players and citizens we can be.
- Learn what it means to be a team member and take personal responsibility.
- Learn how to overcome adversity...rather than learning how to avoid it.
- Set team and individual goals and create the plans to achieve those goals.
- Learn the values of discipline, hard work, perseverance, honor, integrity and fair play.

The coaches at Legacy Christian Academy believe the athletic experience can be viewed as a "Test Tube of Life." It is within this test tube that athletes are confronted with many life situations. Quality coaching can help athletes learn life lessons through these situations and then take what they learned and apply it to the rest of their lives.

We participate in athletics primarily to have fun! However, in high school athletics we keep score for a reason. Therefore, it is our goal to teach our athletes what it takes to win in the game of hockey, to win in the game of life, and to have a great time doing it!

# LEGACY CHRISTIAN ACADEMY COACHING STAFF

*The Legacy Hockey Staff is committed to encouraging each player to develop into the best hockey player they can be; but more importantly they are committed to helping each player grow closer to Jesus Christ!*

**Head Coach Steve Larson** is beginning his tenth season with the Legacy Christian Academy Boys' Hockey team. Steve is a Minnesota native with a rich hockey background. He played college hockey for Bethel College (University) in St. Paul. He received his master's degree while a Graduate Assistant Coach with the hockey team at Miami of Ohio in the former CCHA. He has been a successful coach at both the high school and college levels. Here is a sampling of Coach Larson's hockey successes: Steve guided the Lion's to their first-ever Two Rivers Hockey Conference Championship in 2014-15. Prior to starting the Legacy hockey program, Steve was the head hockey coach at Blaine High School from 1995-2000. During his five years in Blaine, Steve and the Bengals accomplished the following: AA Boys MSHSL State Hockey Champion in 2000; named MSHSL State Hockey Coach of the Year in 2000; AA Boys MSHSL State Hockey Consolation Champion in 1999; three state tournament appearances; and three-time Section 4AA Hockey Coach of the Year. Prior to coaching at Blaine, Larson coached at Bethel College (University) for ten years. He was the head hockey coach there for seven years, and was named the MIAC Hockey Coach of the Year in 1986. Steve and his wife DeeDee reside in Ramsey and have two children; their son Isak (Ike) and daughter Kaia.

**Assistant Coach Dan Moots** is beginning his fourth season on the coaching staff with Legacy Christian Academy. Dan started playing hockey in Minnesota as a youth and after high school, had a successful career playing many years in Sweden and Norway in the D1 and Elite Leagues. For the past nineteen years, Dan has enjoyed coaching youth sports. "Coaching offers opportunities to teach life lessons that reach far beyond the rink. Toughness, compassion, teamwork, selflessness, resiliency and leadership are just a few characteristics that young players can improve upon in the competitive arena. As a coach, I like to challenge them in these areas on and off the rink. There is no better feeling than helping someone improve their abilities and chances for success, which is why I love coaching." Dan currently works with U.S. Associates as the Director of Safety. Dan and his wife, Jill, reside in Ham Lake with their two children; son Aaron and daughter Lexie.

**Assistant Coach Ike Larson** is beginning his second season as a coach at Legacy Christian Academy. Ike was a four year letter winner at Legacy and graduated in 2013. During his time at Legacy, Ike set the career scoring record with 107 points in 107 games. He never missed a game in his four years. Ike was also awarded the "Brian Buddish Award" in four consecutive seasons and was voted to the All-Conference team three times. In his senior year, he was voted to be a captain and was presented with the "Hobey Baker Character Award". After playing two seasons of junior hockey, Ike is now a sophomore at Bethel University (St. Paul) majoring in Business Finance and Marketing.

# LEGACY CHRISTIAN ACADEMY COACHING STAFF

**Assistant Coach Dan Olufson** is beginning his fourth season as a coach at Legacy Christian Academy. Dan came to Legacy as a player in his junior year of high school (2010-11) after transferring from Totino Grace. Due to the transfer rule, Dan was not eligible to play on the Legacy varsity team during his junior season. However, during his one season as a junior varsity player, Dan earned the respect of his teammates and was voted to be a captain of the varsity team for his senior season (2011-12). Dan was an All-Conference player and was also awarded with the “Brian Budish Award” his senior season. Dan is currently a senior at Bethel University (St. Paul) and is majoring in Organizational Communications with a Business Marketing emphasis. We would also like to congratulate Dan on his recent engagement to fiancé Katie!

**Video Coach and Asst. Goalie Coach Tom Zych** is beginning his fifth season on the coaching staff at Legacy Christian Academy. He graduated from Concordia Academy in Roseville, MN in the spring of 2012. Tom had played hockey for over 10 years and he was among the first players at Concordia Academy to play hockey with the Lion’s as a result of the hockey cooperative with Legacy Christian Academy. Tom is currently employed as a Department Manager in an area Target store and is also enrolled at Anoka Ramsey Community College majoring in Computer Networking and Telecommunications.
