

TRAVEL AUTHORIZATION FOR MINOR OFFICIALS to Regional Tournaments

“USA Fencing Travel” is defined as travel to or from a USA Fencing National or Regional Tournament. A “Minor Official” is a fencing official under eighteen years of age. USA Fencing Travel by a Minor Official must be supervised by a parent, legal guardian or designated family member of the Minor Official, or a designated USA Fencing Professional member who has passed a background check (each, a “Supervisor”).

For each Regional Tournament attended by a Minor Official under 18 years of age that requires travel, the Minor Official must complete this **Travel Authorization for Minor Officials** form, and must indicate the Supervisor (a parent, legal guardian, designated family member or designated USA Fencing Professional member) who will be responsible for the Minor Official during the USA Fencing Travel. The form must be completed for each such event and submitted to the tournament organizer and /or hiring official, prior to making travel arrangements. If a parent, legal guardian or designated family member is designated as the Supervisor, the parent, legal guardian, or designated family member must travel with the Minor Official to and from the Regional Event. If a USA Fencing Professional member is Minor Official designated as the Supervisor, the designated USA Fencing Professional will be responsible for the Minor Official from the time the Minor Official arrives at the designated hotel or location of the USA Fencing Regional Event until the Minor Official departs for the airport to return home.
