Old Business

1. Motion to Approve- all approve December's minutes.

New Business

1. Shirt press update: Lisa ordered letters, transfers, and we will order shirts. Let Lisa or Kristina know if you need any orders for a tournament.
2. Zamboni not cutting ice before skate times. Drivers need to cut ice at the discretion of the director (IFYHA paid for the ice) Perhaps a discussion with P&R about length of cuts and driver issues.
3. Tournaments: tournaments have been poorly attended. PeeWees are full, - perhaps the reason is that schedules aren't matching up.
4. City Business: The next Rink Advisory meeting is Jan 27th.
5. Hut coverage- we aren't covering Friday nights. We only need to cover Tuesday nights and Saturday nights. People need to realize that keeping the hut open helps the association purchase things that we need as an association. Put this in the next Friday Flash.
6. DIBS. Should we do a DIBS export? Should we notify people about how many hours that they need? Put in the Friday Flash.
7. Friday Flash: send info to Bev or Kristina via email.
8. Issues: Garbage in the locker room, public bathrooms lacking toilet paper, caulking needs to be done in the warming room- but the heater works!
9. State Tournament: We are hosting Feb 20-22 for Bantams, Girls, and Midgets. Waiver request from Salmon. They would rather play in the Montana league. Teams are 'up in the air'.
10. Rostering- Girls U19 team has 9 girls. U14 has fewer girls. Sun Valley girl is on the U19 roster. Question: Will the girl pay the house fee because the bylaws state that in order to play girls travel, a girl must play girls house first.
11. Erika Z. is allowed to play U19 for a pro-rated month. The Sun Valley girl (R) would like to be able to play with the U19 team as it is her only chance to play in a game- SV does not have a place for this girl. The R. girl will pay a prorated amount for house in order for her to play on the travel team as well. Tami moves to allow R to play with the girls this year- Jennifer seconds.
Approved.
12. Tracy Scott would like to have a backyard 3x3 tournament in Feb 8 (while PW is having its tourney) and a Try Hockey for Free in March as well. March 1&2 is available.
