Under the guidance of our exceptional Glenview coaching staff, players will further develop individual skills while working on team concepts to be a cohesive and competitive group. For an extra fee, the girls will have the option of doing an extra off-ice and on-ice skills session with Glenview Youth Teams and/or participating in a dry land program at Progressive Sports Performance. If they are interested, U12/U14 girls may double roster on a coed, youth team.
