

# LITTLE KNIGHTS ADM ASSESSMENT

St. Jude will be holding assessments for all players interested in participating in St. Jude's Little Knights/ADM program in the winter 2016-17 hockey season. Players will be assessed and placed on team squads for cross-ice and half-ice game play, including games against similar skilled players of other clubs and participating in jamborees.

Little Knights is open to players born in 2011 through 2008. New and returning Little Knights participants are required to attend this weekend assessment for placement into Learn to Play program.

*Players interested in participating in Learn to Skate do NOT need to participate in assessments.*

## **Dates and Times at**
