

2019 MEYFL Referee Card- 5th & 6th Grade

Minnesota High School Rules apply with the following exceptions:

- 1) Game– Consists of four 15-minute running time quarters. 8 minutes for half-time (shortened if agreed to by both coaches). ONLY The last 2 minutes of the 2nd & 4th quarter are stop-time. If one team has a 21-point or greater lead, running time will continue during the final 2 minutes of the fourth quarter. "Stop Time" is for normal game circumstances that would stop the clock (ie: Out of bounds, incomplete pass) etc. Referees will maintain a 35 second clock from the referee's 'set of the ball' to the snap of the ball. **Over 35 seconds= delay of game penalty. Time-outs stop the clock anytime they are called.**
- 2) Scoring: **Touchdown**= 6 Points, **Extra Points** :1 point = from 3 yard line (Run or Pass), * 2 points = from 6 yard line. (Run or Pass) 2 point = Extra point via place kicking. There are no restrictions on "blue striper" on extra point attempts, anyone can play anywhere on offense and defense and all players can run/pass/catch the ball regardless of weight. * If a team is up by 24 or more points, only 1-point conversions are allowed.
- 3) All players must have rubber **non-removable** cleats as well as an attached mouth guard (unless a special dental mouth guard is used)
- 4) **Playing field dimensions must be a regulation 100 yard field.**
- 5) Kickoffs will be from the kicking teams 40 yard line and must have 5 players on each side of the kicker. On side kicks are allowed.

- 6) **Blue Stripe Players** (5th-Over 120lbs/ 6th– Over 130lbs) must wear contrasting color tape on their helmets. Blue Stripe players may kick as well as advance the ball on a turnover and run the ball on extra points. **Offensive Positions:** Center, Guard, Tackle, or End (RB/ QB on XP only). **Defensive Positions:** Nose Guard, Guard, Tackle, Defensive End.
- 7) Fumbles on kicks, runs, catches if recovered by the defensive team can be advanced by any player.
- 8) Quarterback shall not attempt to draw defense offside by head bobbing (5 yd penalty).
- 9) If there is a man over the Center (Nose Guard). He must be head up. He may not swat at the ball at anytime. (5 yd penalty). A center is in a vulnerable position. A defense targeting (ie: headhunting") a center by a defensive player is NOT acceptable and will be dealt with by the league severely.
- 10) Balanced Defensive Line- **4, 5 or 6 man Defensive fronts ONLY.** Max. 8 "Men-in-the-Box" No simulated movements to draw off sides (5 yd penalty)

(5 yard penalty) All cornerbacks must be at least 4 yds from the LOS and 4 yds outside the Defensive end (when in tight formation) at time of the snap. Safeties must be 7 yards. DE can play outside shoulder of TE regardless of where the TE lines up.**
- 12) The team whose goal line was involved shall put the ball in play on the 20-yard line by a free kick after a safety.

Referees Area of Emphasis

- 1) Be sure ball is being snapped on the correct count.
- 2) Be sure that offensive ends and running backs are not holding defensive players. Penalties for holding, face-masking, clipping and blocking in the back, no matter where they occur on the field. **Watch behind the play.**
- 3) Failure to wear mouth guard at the time of the snap is a 5 yard penalty. Whistle blown and play stopped at the snap of the ball).

Fold In Half– certified as of 8/14/2019, supersedes any versions prior to that date.

All coaches are required to submit a list of players that will play the skilled positions in the 1st half and 2nd half, prior to the start of the game.

"Skilled" Positions

- * Any position other than Center, Guards, or Tackles are skilled. Blue stripped ends may only handle the ball if it is a forward pass that is completed past the line of scrimmage. A reverse cannot be done with a blue striper playing end.
- * Players may ONLY be eligible to play in a skilled position in the equivalent of One Half of any regulation game.
- *5th-6th Grade: **One Half EQUIVALENT** means the total of two quarters. These quarters do not have to be consecutive.

The coaches are responsible for tracking the numbers of the players. The coach from the opposing team is allowed to tell the referee of an infraction, the referee is responsible for confirming the infraction by referring to this card.

How to access an infraction:

The play doesn't count and a 10 yard penalty is accessed from the original line of scrimmage. Repeat the down.
