Recording Libero Replacements on the Tracking Sheet

- When Libero enters the court, place an "L" behind the player whom she replaced. No slashes!
- When the player returns to the court and the Libero exits, place the "#" of the player returning behind the "L"

Double Libero Replacement: Libero on Court, then moves to Serve

- Will be seen as 2 regular-uniform players crossing in the Libero Replacement area as the Libero goes back to serve
- Libero may **NOT** exit the court and re-enter. If she does, notify the second referee
- Done as double exchange:
 - ☆ 1. Player replaces libero (usually moving to left front)
 - ☆ 2. Libero replaces next server (moving to serve position)

Libero Serving

- When the Libero serves, place a Triangle around the Serving Order Number (I,II,III,IV,V, or VI)
- Libero may **ONLY** serve in that one service position

- Libero tracker also records all substitutions
- To record a sub, slash the player number exiting and write the player number entering behind it
