Prior to the start of a game, each coach shall introduce himself to the referee and introduce or indicate his respective assistant coach, if any. Coaches may issue positive verbal instructions to their players on the field of play, but only to the point of not being disruptive to the game. This does not mean that the coaches in the younger age groups cannot position their players and issue tactical instructions. The older age players will require fewer instructions as their knowledge of the game increases. The referee will be sole judge of when a coach uses negative or derogatory statements, which in his judgment will bring the game into disrepute, and only positive or supportive comments will be allowed. Coaches must not allow any parent or spectator to do any coaching during the game and will be responsible for their conduct. Coaches will show good sportsmanship when their team has an 8 goal lead. Failure to not try and keep the score under control can lead to a caution (yellow card) by the referee for unsporting behavior.

15.2 BEHAVIOR OF PARENTS AND SPECTATORS

Coaches shall be responsible for the behavior of the spectators and be advised to refrain from using abusive or offensive language, contesting referee decisions or otherwise displaying displeasure with respect to actions on the field and to caution spectators regarding such behavior. Unsportsman-like conduct will result in penalties and possible abandonment of the game. Coaches are subject to be cautioned or ejected by the referee. When a coach is ejected for any reason, he must leave the vicinity of the game and will not be allowed at his/her team's next game.

15.3 CHOICE OF SIDELINES & COLOR CONFLICT

Spectators and fans of both teams will occupy one sideline with players on the other. With the exception of a parent tending to an injured child, spectators, fans, and siblings are not allowed on the players' sideline nor are they allowed to sit behind either end line. Home team is listed first on the schedule and must change jerseys in case of color conflict.

15.4 FIVE (5) FOOT TOUCHLINE RULE

All persons attending a game, including coaches, shall remain at least five (5) from the respective touchline. All persons not on the field of play shall remain in the area extending, in case of 6U, 7U, 8U, 9U and 10U League play, twenty-five (25) yards on either side of the midfield line.

Should the protest be upheld, the disputed game will be replayed in a fashion prescribed by the A&D Committee. And the protest fee shall be returned by the Registrar.

16.2 PROTESTING A JUDGMENT CALL

Protests based on judgment calls made by the referee will not be entertained, as judgment calls cannot be reversed. The only two acceptable reasons for protesting a game after it has been played are:

1. A team knowingly playing an unregistered, ineligible or suspended player; or

2. There were obvious errors made in the application of the Laws of the game that directly affected the outcome of the match, and the referee admits it.

A game cannot be protested because a player, team, coach, parent, or fan thinks the referee was incompetent. Complaints should be directed to the Tyler Referees' Association or the State Referee Committee.

However, an occasional conflict of interest may arise due to an oversight, an incomplete list or scheduling of games. If after arriving at a game an official or coach realizes that a conflict of interest exists, he/she should notify the referee who will call both coaches together to inform them of the conflict. If both coaches agree to play the game using the official(s) assigned, or using a fewer number of officials, then the outcome will be final. If one of the coaches cannot accept the official because of the conflict of interest, then an attempt should be made to substitute that official with another official of equal or similar qualifications, if one is available in the immediate area. If no alternate official is available, then the game will be rescheduled at the earliest possible date. Both coaches will sign the official's card on which has been noted "Abandoned Conflict of Interest."

16.3.5 CONFLICT OF INTEREST WITH COORDINATOR

Should a scheduler need to schedule a game which is a makeup game for a scheduled season game or a postseason game for a play-off challenge, or regulation and a conflict of interest exists with regard to the coordinator, the scheduler will notify both coaches that a conflict of interest exists before a game is scheduled. If both coaches agree to play the game as scheduled, the outcome of the game will be final. If either coach or assistant coach cannot accept the proposed schedule because of conflict of interest, the coordinator will schedule the game for the earliest possible time for which officials will be available.

16.3.6 CONFLICT OF INTEREST WITH COORDINATOR DISCOVERED POST-GAME

Should a conflict of interest involving the coordinator, or an alternate, become known within seven (7) days of the completion of the game, either coach of the opposing teams may petition the A&D Committee to replay the game. The petition must be delivered to the Registrar within seven (7) days, exclusive of Sundays, of the date of the game. No fee will be required to accompany the petition. Should the game be replayed before game suspension resulting from caution points or ejections received by a coach has been served, the A&D Committee must decide if the coach can attend the game. The facts and circumstances surrounding the suspension should be weighed and reviewed to make the determination. The suspension cannot be abated; only postponed to the next scheduled game. In no event will a player's suspension be postponed.

In 8U and younger there must be four (4) players and a coach. Any team may move up to the next league (age group) as a team as long as these conditions are met.

19.4 NEW COACH WHO FORMS A TEAM

If there is a coach who wishes to form a team in any division but who does not currently have a team, he/she shall be allowed to form a team by drafting from the pool with other teams in the division in which the new team is formed. The coach of the new team shall draft last in the division or by draw for the position if there is more than one new team. The coordinator shall place the new teams in the lowest division in the league.

19.5 DIVIDING LEAGUE INTO DIVISION, EQUAL PLAY

When a league has ten or more teams, the League Coordinator shall divide the teams into divisions. A division shall consist of not less than four (4) or more than ten (10) teams. After all players' placement has been made for the season, the League Coordinator utilizing the procedures as set forth hereafter, shall accomplish division of teams into separate divisions. After each league has been divided into divisions, each team must play all other teams in that division an equal number of times to determine standings. If interdivision play is allowed, the same ruling must apply.

19.6 FALL AND SPRING SEASON RELEGATION RULE

For the fall season, all teams will be placed into divisions according to their standing from the previous season. In the event standings were not officially kept during the previous season (i.e. in the previous season, the teams were in the 8U division), unofficial standings will be reviewed to determine which division each team should be placed in. For this reason, even though awards are not given for place in the 8U division, the records of wins and losses should still be maintained by TSA for this purpose only. For the Spring season, each division shall be made up of the teams which played in that division on the Fall season provided that the team with the worst record in any division during the Fall competition shall be relegated to play in the next lower division, and the team with the best record in any division shall be promoted to the next upper division. The TSA Board will handle this under their discretion.

19.7 TEAM ATTENDING TOURNAMENT

A coach will give the scheduler and coordinator two-week advance notice if they are going to attend a tournament and cannot make a season game. If the scheduler and coordinator is notified in less than two weeks in advance, the game will be a forfeit. A recreational team will be allowed a maximum of two (2) rescheduled weeks per season to attend a tournament.

19.8 TEAMS NOT ORIGINATED IN T.I.S.D.

Players not in TISD and registered to play in their own district (Chapel Hill, Whitehouse, etc...) must be drafted first by the coach of a team originating within these school district boundaries. Before drafting begins, the coach must indicate if he plans to draft any of these players in his school district. If more than one team originating in the same age bracket is in this school district, the coach must only indicate that he plans to draft those players requesting his school district. If a coach passes over and does not draft those players first, then any coach may draft them, providing a phone call is made to the player's parents for approval. Once a coach passes over these players and drafts a player from TISD, the requesting players are free to be drafted.

19.9 NUMBER OF PLAYERS TO FIELD 4U AND 5U

Teams in age groups 4U through 5U will field four (4) players with no goalkeeper.

19.10 NUMBER OF PLAYERS TO FIELD 6U

Teams in age group 6U will field four (4) players with no goalkeeper.

19.11 NUMBER OF PLAYERS TO FIELD 7U AND 8U

Teams in age groups 7U through 8U will field four (4) players with no goalkeeper.

19.12 NUMBER OF PLAYERS TO FIELD 9U AND 10U

Teams in age groups 9U through 10U will field seven (7) players with a goalkeeper.

19.13 NUMBER OF PLAYERS TO FIELD 11U THROUGH 12U

Teams in age groups 11U through 12U will field nine (9) players with a goalkeeper.

19.14 NUMBER OF PLAYERS TO FIELD 13U THROUGH 19U

Teams in age groups 13U through 19U will field eleven (11) players with a goalkeeper.

19.15 NUMBER OF PLAYERS TO FIELD ADULT LEAGUE

TSA will determine the size of rosters, duration of game, and field players each season after reviewing the amount of adults registered. Division will be determined at this time as well.

19.16 SAME NAME RULE

No team may have the same name as any other team in the same age division. In the event a team disregards this rule, the team entered first in the computer will remain the name and the new team shall be changed in the computer to the head coach's last name until the team complies with this rule.

19.17 CONCESSION STAND RULE

If a team is scheduled to work in the Concession Stand and does not show up or contact the 2nd Vice President/Fields to reschedule at least one week prior to their scheduled time, that team's coach will be suspended from scheduled play for two (2) consecutive league/tournament games.

19.18 FIELD MONITOR RULE

When a team is scheduled to monitor their age group fields and does not show up or contact the 2nd Vice President/Fields to reschedule at least one week prior to their scheduled time that team's coach will be suspended from scheduled play for two (2) consecutive league/tournament games.

Chapter 20 Soccer Academies

20.1 DEFINITION

"Soccer Academy" is a group of 7U through 10U registered NTSSA Recreational Players who desire to participate with other players without following the recreational team formation rules. Players must register with their home association and may or may not be on a recreational team, unless required to be on a recreational team by their home association. Academies are to be governed by NTSSA Youth Associations, and NTSSA Youth Associations may host as many Soccer Academies as they deem desirable. Academy teams are governed by the league in which they participate. If more

than one association is involved in an academy league, an A&D committee should be in place.

20.2 ACADEMY SOCCER TEAM ASSIGNMENT

Academy players registered with Tyler Soccer Association are not required to be on a recreational roster and participate on a recreational team.

20.3 BACKGROUND CHECKS / RISK MANAGEMENT

All coaches, assistant coaches, managers, trainers, referees, volunteer administrators, board members, and staff/employees must have satisfactorily passed a criminal background check before they are able to participate in any NTSSA sanctioned event. This must be completed annually. They also shall adhere to the Safe Sport Mandate Training per rule 14.6.

20.4 GENERAL RULES

Soccer Academy play is in addition to recreational play. Players may join any Soccer Academy of their choosing within their age group, and are not required to obtain a release from their NTSSA recreational team to participate on an Academy team. Players must present a form of proof of registration signed by their home association registrar each time they participate with an Academy. Players may join as many Soccer Academies as they like as long as the Soccer Academy is recognized by a North Texas Soccer Member Youth Association. No formal contract or written commitment may be signed by or on behalf of the player to commit a player to an Academy team. The Academies may charge a fee to cover expenses in addition to the player's recreational soccer registration fees. Academy players may participate in only one Academy tournament at a time. Violations of this rule shall result in sanctions against the offending party (coach, assistant coach, manager, parent, or other team representative), which could include suspension from all soccer activities for a period of time.

20.5 LEAGUE PLAY

Member Associations may provide league play if they have enough teams, or may coordinate with other Member Associations to provide a league or games between Soccer Academy teams from different home associations. Age division play will be designated as 7U through 10U. Scores and standings should not be kept.

20.6 FORMATION & TOURNAMENT PLAY

Soccer Academy teams are not considered “registered teams,” and therefore do not have to follow recreational team formation rules. Soccer Academy teams may not enter NTSSA sanctioned tournaments unless the tournament has specified a “Soccer Academy” bracket. In that event, players must declare which Soccer Academy team they will play with in the tournament and may only play for one team in a tournament. Soccer Academy teams may not travel out of NTSSA as a team to play in tournaments.

20.7 ROSTERS

Soccer Academy rosters may change from week to week to accommodate players desiring to change Soccer Academies, or to accommodate players who want to play on one team one week and another team the next week.

20.8 PURPOSE

The purposes of the Soccer Academies are to:

1. Provide recreational players who have aspirations of becoming a more accomplished player an avenue to test and enhance his or her skills;
2. Provide recreational players an opportunity to train with experienced coaches; and
3. Provide recreational players an opportunity to investigate the level of play with which they are comfortable, which players they would like to play with, and for which coaches they would like to play.

20.9 RECRUITING

Recruiting is not allowed on Soccer Academy teams. Soccer Academies are to be used for training, not recruiting. *(For an in-depth definition of recruiting see NTSSA rule 3.10.9)*

20.10 PRIORITY OF TEAMS

For the purpose of this rule, all players participating in a Soccer Academy who are also registered with an NTSSA Member youth association recreational or recreational plus team shall, in the event of a conflict, consider the NTSSA recreational team or recreational plus team to be their

primary team and the Soccer Academy as a secondary commitment during the recreational season, except on Sundays.

Chapter 21

Competitive/Select Players

A competitive (select) player is obligated to his/her competitive team for the soccer-playing year for competitive players from the time he/she signs a contract until the end of the subsequent soccer-playing year (August 1st of the prior soccer year through May 31st of the current soccer year) and any release to transfer to another NTSSA competitive team will be allowed only in limited circumstances. A written request for a release with the purpose of being able to transfer to another competitive team must be chaired by the NTSSA Youth Commissioner or his designee. This shall be done between the date of December 1st and January 31st for 11U through 14U and December 1st and March 15th for 15U through 19U only and must be accompanied by a fee of \$50.00 (refundable at the Competitive Soccer Committee's discretion). The parent/player making the appeal will be required to attend a Competitive Soccer Committee hearing to consider the request. Any appeal of the decision of the Competitive Soccer Committee must be made directly to the Executive Committee of NTSSA within five (5) days. A player may leave a competitive team to go into his home Member Association recreational player pool at any time during the soccer year. Any recreational player currently rostered to a recreational team and wishing to be released to join a competitive team may do so only between December 1st and January 31st for 11U through 14U and December 1st through March 15th for 15U through 19U and may do so only with the written permission of the Member Association in which he/she is currently rostered. A competitive registration form must be completed prior to the player's transfer to a competitive team.

Chapter 22

Schedulers and Coordinators

22.1 PRIORITY SCHEDULE

The Schedulers should request officials based upon the following priority schedule. The referee assignor will use the same priority schedule to assign referees to games. When requesting an official, the League Coordinator should notify the assignor why the game is being scheduled or re-scheduled. The following priority list should be used:

1. Season Games listed on copy of season furnished to assignor whether game is scheduled on Saturday or any other day.

22.2 FIELDS

The Scheduler shall schedule all games at Lindsey Park for teams that register through TSA or NTSSA. All games played will be scheduled through the league coordinator and approved by the 1st and 2nd Vice President. The following procedures should be followed in order to obtain usage of a field:

1. The proper league coordinator should be contacted. The League Coordinator must then get approval from 2nd Vice President for all game changes at Lindsey Park
2. Only games may be scheduled for playing fields at Lindsey Park.
3. All games at Lindsey Park require two (2) separate registered teams in uniform and a licensed referee in uniform assigned through the Tyler Soccer Association Assignor.

A new team coach, assistant coach, or manager that is designated at draft or for any other reason by the 1st Vice President (or designee), Registrar, and appropriate age coordinator is considered in a temporary status until approved by the TSA Board. The following disciplines are hereby adopted by TSA for failure to comply with the rules and regulations. All coaches and assistant coaches are subject to the following disciplines if he or she:

24.3 MISCONDUCT OF PLAYERS/COACHES/ASSISTANT COACHES

Member Associations, Playing leagues and Tournament Officials may institute their own “**CUMULATIVE CARD SYSTEM**” for players/coaches and assistant coaches or additional sanctions as they see appropriate. Appeals of cards are not allowed except when the referee admits he made an error in the issuance of the card. Sanctions for misconduct will remain within the competition where they are earned unless the violation happens in the last game of that competition and the Member Association/Player League or Tournament Officials deem that it is serious enough to forward to North Texas A & D for consideration of further sanctions.

Yellow Cards

A player receiving a second yellow card in a single game is suspended for the balance of that game and the next game within that competition.

Red Cards

A player receiving a red card or a coach/assistant coach who is sent off is suspended for the balance of that game and the next game within that competition, or if in the last game of the competition, may be referred to North Texas for further sanctions.

If a Member Association's and/or Playing League's A & D Committee determines that a red card was issued for an infraction that was not an "expulsion" offense in accordance with the FIFA Laws of the Game, such A & D Committee may reduce the red card to a yellow card and assess sanctions accordingly. The Member Association or Playing League may not, however, do away with the card altogether. A full report of this action must be sent to NTSSA.

24.3.1 MISCONDUCT

A coach or assistant coach whose conduct is not considered to be exemplary to his or her players, parents and spectators or by the referee, resulting from said behavior, then that coach or assistant coach may be required, to appear before the TSA A&D Committee. 24.3.2 MISCONDUCT OF COACH WHO IS ALSO OFFICIAL

A coach or assistant coach who is also a TSA Referee or TSA Board of Director member, and as such representative of the standards of exemplary behavior of TSA, and whose conduct is not considered to be exemplary to his or her players, parents and spectators resulting from said behavior, that coach or assistant coach is required to appear before the TSA Executive Committee.

24.3.3 RED CARDS AND SUSPENSION

All players, coaches, assistant coaches receiving red cards may have their names listed in the next TSA BOD meeting minutes. Game suspensions for caution points and/or ejections will result in mandatory presence at the next TSA A&D Committee hearing. The suspension is to be served by the player, coach or assistant coach at the next regular scheduled TSA league game. This includes regular scheduled TSA league games for standings and play-off or championship games for TSA league standings. The suspended player/coach/assistant coach cannot be on the "playing area" during his or her suspension, as defined by NTSSA playing rules. A team official shall provide the referee the appropriate sit-out form(s) and, at the conclusion of the game, the team official is responsible for turning in the signed form to TSA. If the player/coach/assistant coach is observed on or near the playing area and/or verbally coaching his or her team, he or she will be required to appear before the TSA A&D Committee and be assessed a two (2) game suspension. The TSA League Coordinator will be responsible for enforcing this rule and reporting any infractions to the TSA A&D Committee.

24.7 COMMON SENSE

All rules and regulations should be judged using common sense and on its own set of circumstances. Not all situations concerning a rule merit the same attention and punishment, thus allowing either more or less punishment on a given rule or regulation.

24.8 SELECT TEAM TRY-OUTS

Any select team try-outs must be declared so a week in advance with the coordinator of the age group involved and will be open to any coaches who want to attend. The Coordinator of that age group must notify their coaches of these tryouts. Any alleged violation shall be ruled on by the A & D Committee of TSA. Appeals may be made to the Board of Directors of TSA.

IT IS INTENDED THAT EACH PLAYER WILL MAKE KNOWN THESE CONTNENTS TO HIS OR HER PARENTS AND SPECTATORS. In the event a team registered with two different associations (i.e. Tyler Soccer Association and their home association) qualifies for the Tournament of Champions representing both associations, the qualifying team shall represent their home association in the Tournament of Champions and the team registered with the TSA and placing second in their division will represent TSA in the Tournament of Champions.

(The term "Coach" shall include, but is not limited to Head Coach, Assistant Coach(s), Manager/Trainer and/or Team Representative.)

Section 1

RESPONSIBILITIES TO PLAYERS

- A. The coach must never place the value of winning over the safety and welfare of players. Winning should be the result of preparation and discipline with emphasis placed on the highest ideals and character traits.

Medication and supplementation of any kind should be the responsibility of the parents and/or legal guardian. Players should be directed to seek proper medical attention for injuries and to

follow the physician's instructions regarding treatment and recovery. At no time should a player be put at risk by returning from injury prematurely or by being forced to play while injured.

H. A coach's dealings with players and parents must be upfront, honest, and forthright. Coaches must always be honest and refrain from misrepresentations to players and parents.

Section 2

A. Coaches should be thoroughly acquainted with and demonstrate a working knowledge of the laws of the game of soccer. Coaches are also responsible to ensure that their players understand the intent as well as the application of the laws.

B. Coaches must adhere to the letter and spirit of the laws of the game. Those coaches who circumvent the rules to gain advantage have no place in soccer.

C. Coaches are responsible for their players' actions on the field and must not permit them to perform with the intent of causing injury to opposing players.

D. If coaches permit, encourage, or condone performance that is not in the letter or spirit of the laws, they are derelict in their responsibility to players, Member Associations, **NTSSA** and the sport worldwide. The coach must strive constantly to teach good sporting behavior.

G. Allegations of illegal or unethical recruiting are very serious and should be based on concrete facts rather than hearsay and innuendo. While documentation of recruiting violations is essential, the use of videotape and other electronic equipment is discouraged.

Section 7 GAME DAY AND OTHER RESPONSIBILITIES

A. A coach's behavior must be such as to bring credit to himself, his organization, and the sport of soccer. This is never more evident than on the day of the contest.

B. Rival coaches should meet prior to the game and exchange friendly or professional greetings. While the concept of rivalry is wholly embraced, it cannot take precedence over exemplary professional conduct.

C. During play, coaches have a responsibility to be as inconspicuous as possible. Coaches shall exhibit a respectful attitude towards players. The coach must confine him/herself to the coaching area. The attitude of the coach towards officials, spectators, opposing players and coaches should be controlled and undemonstrative.

D. It shall be unethical for a coach to have any verbal altercation with an opposing coach or bench during the game. Hostile physical contact with a player is considered highly unethical.

E. The coach's foremost post-game responsibility is his/her team.

F. Coaches should use their influence on unfriendly spectators that demonstrate intimidating behavior towards officials and opposing teams.

G. Coaches must act in a professional manner at all times when in the presence of players, whether at games, practices, or in any other setting. A coach demonstrating behavior that could be considered by a reasonable person to be irrational, inappropriate, or unbecoming an adult will not be tolerated. Examples of such behavior include, but are not limited to, the following:

- Lewd gestures or remarks
- Overly critical remarks
- Ranting and raving
- Snide or demeaning remarks
- Threatening behavior or remarks
- Physical confrontations
- Temper outbursts

Section 8 ETHICS COMMITTEE

All Member Associations are directed to form their own ethics committee and to hold hearings--WITH THE PARTIES HAVING THE RIGHT TO BE PRESENT--on alleged violations of the Code of Ethics when properly submitted.

Section 9 NTSSA PARENT'S CODE OF CONDUCT

A. Children have more need for example than for criticism.

- B. Attempt to relieve the pressure of the competition, not increase it. A child is easily affected by outside influences.
- C. Be kind to your child's coach and officials. The coach is a volunteer, giving of personal time and money to provide a recreational activity for your child.
- D. The opponents are necessary friends; without them your child could not participate.
- E. Applaud good plays by your team and by members of the opposing team.
- F. Do not openly question an official's judgment and honesty. Officials are symbols of fair play, integrity and sportsmanship.
- G. Accept the results of each game. Encourage your child to be gracious in victory, and to turn defeat into victory by working towards improvement.
- H. Remember your child is involved in organized sports for their enjoyment, NOT YOURS!
- I. Encourage your child to always play by the rules.
- J. Teach your child that honest effort is as important as victory so that the result of each game is accepted without undue disappointment.
- K. Remember that your child learns by example. Children mimic what their parents say. Criticism of the coach, officials, teammates, and/or opponents fosters bad attitudes and can only lead to a negative experience for your child.
- L. Parents should remember that a coach has an entire team of players to consider when making decisions regarding position, playing time, substitutions, and strategy. The team does not revolve around one player.

K. I further understand that I should not partake of any type of alcoholic beverage before any game assignment, and that I should never smoke, eat or drink while actually officiating.

L. I hereby pledge that I will always faithfully carry out my duties and obligations as a USSF referee registered with the North Texas State Soccer Association; and that I do hereby acknowledge and accept the jurisdiction of the local NTSSA- affiliated playing association I may be refereeing for, the NTSSA and USSF, and their respective Referee Committees, where applicable, over my actions, conduct and performance as a registered USSF referee.

M. I furthermore understand that I may be disciplined, to include being placed on probation, suspended, or refused referee registration for significant or repetitive breaches of this Code of Conduct or any of its articles or provisions.

Section 13

NTSSA CODE OF ETHICS FOR EXECUTIVE COMMITTEE, STATE COMMITTEE MEMBERS, AND MEMBER ASSOCIATION ADMINISTRATORS

- A. None of us arrives at any administrative level, volunteer or not, without spending some “grass roots” time somewhere. We are appointed or elected to our positions because enough people had confidence in us, appreciation for what we had done in the past and assurance that we could lead them in a positive, productive future. This responsibility of accepting such a challenge, especially in a volunteer capacity, must have some guidelines.
- B. It is important to remember that as board members we are very high profile. It is equally important that we remember that we are primarily a service organization and that we treat fellow volunteers as partners with a common goal-- the organization, development and promotion of soccer. We should maintain high standards and serve by example.
- C. Have respect for the game, players, officials, parents, coaches, member association volunteers and fellow board members and deal with them in a patient, courteous and consistent manner.

D. Criticism channeled through the proper quarter should be educational, constructive, balanced and positive. Under no circumstances should it be demeaning or detrimental to the self-respect of the individuals involved.

E. Administrators should be informed and available. As facilitators they should know the right questions, have the ability to elicit the right answers and foster creativity with accountability within their committee or area.

F. Regarding committeemen and other volunteers: they should be praised for time spent and jobs well done; their suggestions welcomed, evaluated and conclusions communicated to them. Abilities should be recognized and encouraged.

G. Above all: courtesy, self-control and loyalty. We are role models for the youngest players to the newest association. Our responsibility is to serve them well as we work toward our common goal.

APPENDIX ONE

TSA Weather & Lightning Policy

The safety of the players, parents, coaches, and referees is the number one priority for TSA and shall be the main reason for making decisions about suspension of play. The board member on duty is responsible for monitoring weather conditions while working their shift. The board member on duty should monitor lightning and extreme weather to make a judgment call of what actions should be taken. Field conditions shall be monitored by the second vice president (fields). He or she shall make a judgment call to allow play, suspend, or cancel games based on the City of Tyler's recommendations and field conditions. If field or weather conditions are determined to be unsuitable or too dangerous for play, it is the responsibility of the board member on duty and/or the second vice president to cancel or delay games and to notify the participants at the fields of what actions they should take. Notification shall take place by sounding the air horns and/or the use of the loud speaker. He or she will then contact the third vice president (web site) to update the web site and the coordinators to notify the teams. The following guidelines should be used to determine if play should be cancelled or delayed:

Field Conditions

The Second vice president of fields shall assess the field conditions for standing water or mud. Judgment should be made taking into consideration the field conditions, time of season, and field grass conditions (seeding/time of year) regardless of current weather conditions.

Dangerous Weather

The use of a lightning detector, phone apps, and any other weather monitoring devices should be used along with monitoring the actual visual and sound conditions at location to determine distance of lighting and other extreme weather.

- a. Generally accepted protocol for suspension of play is any lightning within 10 miles. Thunder is audible to about 10 miles. If using flash to bang anything under 30 seconds requires immediate evacuation (flash to bang distance is 1 mile for every 5 seconds. 30 seconds would only be 6 miles). **If lightning is within five miles, with or without hearing thunder, the game(s) should be suspended and shelter sought.**
- b. In the event of evacuation, all participants should retreat to their vehicles until notified of an all clear.
- c. Generally accepted protocol is to wait 30 minutes after the last lightning strike that is accompanied by thunder.
- d. The referee will have priority to call/postpone games based on field conditions while a game is in progress.

Notice

These are only guidelines and some exceptions to them will occur. The second vice president and/or the board member on duty shall make the final decision on game play. **Protecting the safety of all participants should be the number one priority.**
