Release Form
Must Present Photo ID
And Be At Least 15 yrs of Age

Waiver & Release – Important Information

The Elk Grove Park District is committed to conducting its recreation programs and activities in a safe manner and holds the safety of participants in high regard. The Elk Grove Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions that are designed to protect the participant's safety. However, participants and parents/guardians of minors registering for this program must recognize that there is an inherent risk of injury when choosing to participate in recreational activities/programs. You are solely responsible for determining if you or your minor child/ward are physically fit and/or adequately skilled for the activities contemplated by this agreement. It is always advisable, especially if the participant is pregnant, suffers from an underlying medical condition, takes medication, smokes cigarettes, has a family history of coronary disease, or has recently suffered an illness, injury or impairment, to consult a physician before undertaking any fitness center activity.

Warning of Risk

Aerobic and other fitness activities such as passive/resistive weight training, use of stair machines, jogging, free weights, and other training devices are intended to challenge and engage the physical, mental and emotional resources of the participant. Despite careful and proper preparation, instruction, medical advice, conditioning, and equipment, there is still a risk of serious injury. All hazards and dangers can not be foreseen. Depending on the particular activity, certain risks, dangers and injuries due to overexertion, improper technique, ignoring safety precautions, failing to follow instructions, slips and falls, unfamiliarity with the equipment and/or exercise, equipment failure, failure in supervision/instruction, premises defects and other risks inherent to the particular activity exist. In this regard, it is impossible for the Elk Grove Park District to guarantee absolute safety.

Dependent upon a person's physical condition, age and/or skill level, aerobics and fitness activities can involve a substantial risk of the following types of injuries. This list is by no means complete, but includes some of the more common ones:

1. Heart attack, stroke and circulatory problem
2. Bone and joint injuries
3. Back and neck injury
4. Shin splints
5. Muscle strain and other muscle injuries
6. Foot problems

Waiver and Release of all claims and assumption of risk

Please read this form carefully and be aware that in signing up and participating in this program/activity, you will be expressly assuming the risk and legal liability and waiving and releasing all claims for injuries, damages or loss which you or your minor child/ward might sustain as a result of participating in any and all activities connected with and associated with this program/activity (including transportation services and vehicle operations, when provided).

I recognize and acknowledge that there are certain risks of physical injury to participants in this program/activity, and I voluntarily agree to assume the full risk of any and all injuries, damages or loss, regardless of severity, that my minor child/ward or I may sustain as a result of said participation. I further agree to waive and relinquish all claims I or my minor child/ward may have (or accrue to me or my child/ward) as a result of participating in this program/activity against the Elk Grove Park District, including its officials, agents, volunteers, and employees.
