Ridge Road Middle School Athletic Booster Club
2019-2020 Membership Form

Middle School sports play an important role, providing an opportunity for middle school students to develop skills in a sport, strengthen their leadership abilities and provide an incentive for academic performance. The Booster Club at Ridge Road helps to support our athletic program with funding, volunteers and building pride in the school. Examples of support include providing important supplies to the athletic department, funding for equipment and capital purchases. Many of the funded items benefit not just athletes, but all students, such as improving athletic fields and facilities. Your support for the booster club directly impacts the success of this important program and the lives of all the student athletes. Please note that while CMS does not allow 6th grade students to try out for middle school teams, ALL RRMS parents are encouraged to join the Booster Club.
