Total Sponsor Pricing: \$_____

Help us light the night & attract 2018 Super Bowl local coverage!
We will also be producing a continuous play drone video!

OVALumination

NOVEMBER 2017 - FEBRUARY 2018

WHY PARTICIPATE?

- It's a high visibility, low cost way for you to help beautify the OVAL for a free public light display and help Roseville shine for 2018 Super Bowl!
- The Roseville Skating Center and the Guidant John Rose MN OVAL annually draw 371,000 visitors with the bulk, 207,000, coming during their prime season of October through early February.
- GREAT exposure - you will not only have a temporarily designated tree at the OVAL, your logo/name will rotate on the OVAL video board inside and scrolling sign outside the OVAL plus on our Facebook page.

The non-profit Friends of the Oval Foundation (FOF) supports and encourages the utilization of the Oval for recreational as well as competitive use, and thus is supportive of all skating sports, including hockey, figure skating, speed skating, bandy, in-line skating, and public recreational skating. This community treasure, built in 1993, is the largest sheet of refrigerated ice in North America and one of only three refrigerated speed skating ovals in the entire United States.
