**Ben's Report**

Fall 2016 Traveling Registration: 285 Fall 2015 Traveling Registration: 332

Fall 2016 FAMS Registration: 164 Fall 2015 FAMS Registration: 199

Important dates:

Saturday, October 1st: U9/U10 Jamboree

Saturday, October 9th: U11-U14 play must end and scores due by midnight

Saturday, October 16th: U9/U10 play must end and score due by midnight

Dates are not posted for summer yet, but usually, teams are due by mid February.

Ben needs to know what the coaches fees for fall. If we wait much longer to try and collect fees, we will again be asking for funds after the season has ended, making it much harder to collect the funds.

In order to have a smoother preparation for summer, here Ben's proposed timeline:

- **Open fall traveling Registration on Monday, November 14th**, close it at the end of January/beginning of February.
- Need fees for each group and if we are adding a code of conduct, I'll need a copy
- The fall Academy registration session will still work if we are adding any players, I will just have to alter the fees as they won't be playing a full year
- It would also be helpful to have coaches hired and new coaches with a completed background check by the final week of January. That way, when I register their team, I am able to immediately associate them with their team avoiding me having to be listed as the coach and/or manager.
- **Coaches Fees.** coaches fees should be set and to me by the end of January, so Ben can begin to collect funds well before the season even starts, thus giving us enough time to collect and parents enough time to pay.
- Costs for Summer 2015: U9/U10- \$225, U11+ \$315. Late fee of \$55
- **FAMS Registration** doesn't usually open until mid-February as we don't have a state mandated time-line to work through. We can begin building the registration as early as we like as it would be nice to have it ready to go early.
- **Winter Training** Being that we are not too far removed from winter training starting, Ben would like to begin building that registration immediately. Info I will need:
  - When is the training happening? Are there more than one session?
  - Where is the training happening?How much are we charging for registration?
