Our facility is a Hockey Skill Training Center with both an On-Ice area and an Off-Ice area. Our facility is open year round with team training during the hockey season and 3 on 3 leagues during the spring, summer and fall. Our summer consists of clinics and camps that run all day long.

On an average day during the winter months our facility has over 200 players and their families coming into our facility. During the summer season the average player and family attendance is over 400.
