Treasure report:

1. The BGBB is labeled under the 501c non-profit and it was started 8-11-2003, but we were marked inactive for a while. Every year we have to activate the 501c with the state of MN.
2. The report for the IRS was sent back to complete more questions. Tom contacted them back and we were told every year we have to file taxes. The IRS has our application for the 501c and are working on getting the application for the 501c accepted. After they accept the application then we will file our taxes and they will probably take at least 2 months to have all the the Taxes completed for past years.
3. The BGBB is thinking about switching from Kline bank to Wells Fargo Bank but Tom Feddema will talk to Wells Fargo first.

Scot's Report:

1. Coaches for this year will be Jeff Kyllonen, Stacy Eggers, Bridget Corgan, and Scot is working on 2 more PT coaches.
2. Fall League will start next Sunday and Scot will get them uniforms.
3. Scot said that AD Bauman came to Scot and the Josh Ortman "Boys basketball" and asked each group to give the school \$3000 to fix one of the curtains in the BAC that is broken. Scot said that he told Bauman that the basketball is not the only organizations that use the curtain. The fixing of the curtain should be a shared bill with community ed and other sports. We may need to give the school some money in the future to fix this curtain.
