

PAFA ACADEMIC ALL AMERICAN

Student Name: _____

Grade: _____

Head Coach: _____

I am a student athlete in the Palatine Amateur Football Association (PAFA). PAFA is presenting an academic excellence award to its student athletes grades 5th-8th who achieve straight As during the season, recognizing that being a great athlete requires focus and discipline on *and* off the field.

I have been working hard to qualify for this special recognition and would appreciate if you would complete the below section with my current grades (this can be anytime between Oct. 21-28). *This is only needed for students who will not receive a school report card before Nov. 4.*

Students—if the above shows all As, please turn this into your coach by Nov. 4. Congratulations on working hard to achieve this goal!
