League/Team Participation
For Teams in more than One NABF Sanctioned League
(Due Not Later Than May 15th For Approval)

As manager of the _____ team, our team will be representing the _____ league for our team's age division in the assigned NABF tournament. I realize the rule that any team registered with more than one NABF franchise association league, playing in a schedule of games as described under Rules 1.01, 1.02, 1.03 and 1.04 must inform the NABF office in writing of the association league that they will participate in for qualifying for any NABF Regional or World Series Tournament. This request must be approved by the President/Commissioner of the NABF league the team will represent and by the NABF Franchise Committee Chairman (Executive Director). It should also be realized that failure to comply with this rule will result in forfeiture of ALL games played in the tournament and the suspension of the team manager and team from the NABF.
