

## Sioux Empire Baseball Association Scrip Program

Scrip is a program whereas participating businesses will rebate a percentage of the cost of certificates that you purchase to use at their store. When you purchase scrip, an account is set up for you to keep track of your rebate amounts. The rebate amounts are available to be credited to the balance you owe for any programming offered through SEBA. Scrip/Premier Center fundraising credit may be used for tryouts and/or commitment fees as long as there is enough credit in your account to cover the full fee when the fee is due.
