1.0 ABOUT THIS DOCUMENT

1.1 Introduction

This document addresses rules of conduct/behavior and rules of a more organizational nature. It does not address rules of play, but there may be some overlap. This document is the culmination of previous Livermore Youth Soccer League (LYSL) policies, of previous Policy Interpretation Memorandums (PIMs), of previous “rules” in the LYSL Standard Operating Procedures (SOP), of existing CYSA Team Manual, and of existing US Club Soccer rules. The rules in this document that can be traced to their origin in the CYSA Team Manual or in the list of US Club rules are not merely included in this document as reference. They are LYSL rules as defined in this document. If the CYSA or US Club rules are ever modified, then both version of the rule applies to LYSL membership. If the revised CYSA or US Club rules are revised such that they are in direct conflict with the LYSL rule, then the CYSA or US Club rule takes precedent so long as LYSL is still affiliated with CYSA or US Club Soccer.

1.2 Applicability

This document applies to all LYSL membership. It is understood that membership applies to all players, parents (or legal guardians) of players, coaches, assistant coaches, team officials, elected or appointed LYSL officers, and all contractors of LYSL during the period of time that they are participating or performing their LYSL functions.

1.3 Rules of Governance

Unless there is some rule in direct conflict with a rule from a LYSL parent or affiliated organization, then all LYSL rules take precedence. However, it is also understood that any rule of a parent or affiliated organization that is not addressed in this LYSL rule document also applies to all LYSL membership.

2.0 BEHAVIOR RULES

2.1 General Conduct

Each team shall be responsible for the conduct of its players, coach, manager, team assistants and parents and it is the responsibility of each team to ensure that its actions, on or off the field, do not bring disrespect upon this league.

2.2 Sportsmanship

All coaches, assistant coaches, and players will conduct themselves in a manner that displays good sportsmanship and fair play, both on and off the field at all times.

2.2.1 Overly Excessive Scoring During House Games

While player development is important, the aspect of “having fun” is very important for the House/Recreation League. As such, the following policy has been enacted to better ensure that the losing team does not get too discouraged by a very lopsided score. The winning team shall not score more than a six goal differential in the recreational program from u-9 to U14. Any score that is more than a six goal differential, then the winning team will lose one (1) point of their three (3) point win so they would only get two (2) points for that game.

2.3 Spectators Conduct

Spectators present at LYSL practices and games are subject to the same rules of conduct as the players and coaches.

2.4 Alcohol, Tobacco, Drug Free

The use and/or consumption of any alcoholic beverages or controlled substances, immediately before, during or immediately after the playing of any youth soccer game, is expressly prohibited.

2.5 Coaching

2.5.1 “Sideline Coaching”

Coaching from the sidelines, giving direction to one’s own team on points of strategy and position, is permitted provided:

- a) No mechanical devices are used.
- b) The tone of voice is informative and not harangue.
- c) No coach, substitute, player, or spectator is to be anywhere but at his/her bench area during the game. A team’s bench area shall be that area one (1) yard from the touchline and extending to ten (10) yards, one way, from the half-line only.
- d) No coach, substitute, player or spectator is to make derogatory remarks or gestures to the referee, other players, substitutes, or spectators.
- e) No coach, substitute, or player is to use profanity.
- f) No coach, substitute, player, or spectator is to incite, in any manner, disruptive behavior of any kind.

2.5.2 Positive Coaching Alliance (PCA) Policy

LYSL is dedicated to the philosophy of “positive” coaching based on the idea that children respond better to positive support than negative criticism. As such, LYSL is a member of the Positive Coaching Alliance (PCA).

- a) All LYSL coaches and assistant coaches are to follow the guidelines of PCA when dealing with youth players. The following is sampling of positive coaching behavior:
 - Never “yell” or harangue
 - Use an “informative” tone when instructing
 - Praise positive performance
 - When criticism is necessary, try “sandwiching” it between positive comments
- b) So long as LYSL is providing the sessions, all Premier coaches (parent coach or pro-coach contractor), all Rec Plus coaches, and all coaches shall attend yearly PCA training sessions unless they have written permission from the LYSL Executive Board that they are excused.
- c) All other coaches and assistant coaches are encouraged to attend, but are not required to attend so long as they follow the PCA guidelines.
- d) Lack of attendance at LYSL sponsored PCA training session may be cause not to be selected as a coach the following season.

Livermore Fusion Soccer Club

Rules and Policies (Rs&Ps)

- e) Coaching behavior that does not follow PCA guidelines may be cause to be removed from the coaching or assistant coaching position during the current playing season.

2.6 Offensive Language

Offensive and vulgar language is always unacceptable. All LYSL officials should model good communication skills. Language that is denigrating in nature, content or tone or refers to one's gender, race, national origin, disability, sexual orientation or religion is unacceptable. Inappropriate language, including language targeting officials, opponents, players, or spectators may be grounds disciplinary actions

2.7 Referee Abuse/Assault

Misconduct against referees may occur before, during and after a match, including travel to and from the match. Misconduct may also occur at later times when directly related to the duties of a game official as a referee. Misconduct will be classified as referee abuse or referee assault.

1. (a) Referee abuse is a verbal statement or physical act not resulting in bodily contact which implies or threatens physical harm to a referee or the referee's property or equipment.
(b) Abuse includes, but is not limited to the following acts committed upon a referee: using foul or abusive language toward a referee; spewing any beverage on a referee's personal property; spitting at (but not on) the referee; or verbally threatening a referee. Verbal threats are remarks that carry the implied or direct threat of physical harm.
2. (a) Referee assault is an intentional act of physical violence at or upon a referee.
(b) Assault includes, but is not limited to the following acts committed upon a referee: hitting, kicking, punching, choking, spitting on, grabbing or bodily running into a referee; head butting; the act of kicking or throwing any object at a referee that could inflict injury; damaging the referee's uniform or personal property, i.e. car, equipment, etc.

The penalty for referee assault for all age groups will be suspension for a minimum of one (1) year and review by the Board of Directors regarding further disciplinary action.

2.8 President Standards

The President of LYSL is the only individual that has signature responsibility for any contracts as provided by the By-Laws of LYSL. The President cannot have the appearance of being directly or indirectly working for any Independent Contractor, Organization, or Coach (House or High Comp) within LYSL during their tenure as President of LYSL. The President must appear at all times impartial to any party other than LYSL and the players participating within the league.

2.9 Executive and High Comp Committee Board Standards

In order to prevent the appearance of potential for conflict of interest, no member or spouse of the Livermore Youth Soccer League Executive Board or High Comp Committee may serve on either executive board during their employment as an Independent Contractor or Sub-Contractor for an Independent Contractor in the service of Livermore Youth Soccer League.

2.10 Full Board Standards of Conduct

In order to preserve the standards of the league and maintain an accurate reflection of those standards, the actions and communications of the board members must remain professional, appropriate, and within the scope of their position on the board at all times.

2.11 Age Group Coordinator Standards

Age Group Coordinators of LYSL are responsible for the formation of recreational House teams. They maintain the standings and resolve issues as they arise in the course of the season. Age Group Coordinators must appear at all times impartial in their decisions and process, without bias to any particular party or team. To that end, Age Group Coordinators may not be a coach (or spouse of a coach) in the same Gender and Age Group that they are appointed to during their tenure.

2.12 Age Group Coordinator Relationship Limitations

Age Group Coordinators of LYSL are responsible for the formation of recreational House teams. As such, they must appear at all times impartial in their decisions and process, without bias to any particular party or team. To that end, Age Group Coordinators may not be a direct family member or legal guardian of a player in the gender and Age Group that they are appointed to. Immediate family includes: child, step-child, adopted child, foster child, niece or nephew, or other obvious and close relationship that may have the potential to create bias team formations, wittingly or unwittingly.

Rules and Policies (Rs&Ps)

In order to properly maintain the image and mission of the league, it is forbidden to use the name of the Livermore Youth Soccer League or otherwise represent the views of the league without the knowledge and permission of the Executive Board of Livermore Youth Soccer League.

2.14 Use of League Assets

It is expressly forbidden to use league field or office equipment, field or office supplies, or other league owned assets without the knowledge and permission of the Executive Board of Livermore Youth Soccer League. This includes intellectual properties, such as LYSL generated mailing lists or player information. Assets may only be used solely by the league and not for use by a private enterprise or for purposes outside the best interests of the league.

2.15 Conflict of Interest Policy

This Conflict of Interest Policy governs the activities of the Executive Board, the Full Board and staff of Livermore Youth Soccer League (LYSL). It is the duty of all LYSL board members and staff to be aware of this policy, and to identify conflicts of interest and situations that may result in the appearance of a conflict and to disclose those situations/conflicts/or potential conflicts to LYSL President, or other designated person, as appropriate. This policy provides guidelines for identifying conflicts, disclosing conflicts and procedures to be followed to assist LYSL manage conflicts of interest and situations that may result in the appearance of a conflict.

- a) Questions about the policy should be directed to the Director of Administration or the President.
- b) A conflict of interest arises when a board member or staff member has a personal interest that conflicts with the interests of LYSL or arise in situations where a board/staff member has divided loyalties (also known as a “duality of interest”). The former can result in situations that result in inappropriate financial gain to persons in authority at LYSL which can lead to financial penalties and violations of IRS regulations. Similarly, situations or transactions arising out of a conflict of interest can result in either inappropriate financial gain or the appearance of a lack of integrity in LYSL decision-making process. Both results are damaging to LYSL and are to be avoided.
- c) Board members and staff will annually disclose and promptly update any disclosures previously made.
- d) Board and staff member will disclose conflicts as they arise as well as to disclose those situations that are evolving that may result in a conflict of interest. Advance disclosure must occur so that a determination may be made as to the appropriate plan of action to manage the conflict. Staff should disclose to the President or Director of Administration as soon as they are aware of the conflict/potential conflict or appearance of a conflict exists.
- e) For each interest disclosed, the Executive Board will determine whether the organization should: (a) take no action or (b) disclose the situation more broadly and invite discussion/resolution by the full board of what action to take, or (c) refrain from taking action and otherwise avoid the conflict. In most cases the broadest disclosure possible is advisable so that decision-makers can make informed decisions that are in the best interests of the organization.
- f) Typically, the person with the conflict may be asked to recuse him/herself from sensitive discussions or voting so as not to unduly influence the discussion or resolution of the conflict.

2.16 Sexual Harassment Policy

- a) Harassment is verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of that person’s race, skin color, religion, gender, national origin, age, or disability. Harassment can also occur if conduct is directed towards a person’s relatives, friends, or associates. Harassment does one of more of the following:
 - Has the purpose or effect of creating an intimidating, hostile, or offensive environment
 - Has the purpose or effect of unreasonably interfering with a individual’s performance
 - Otherwise adversely affects an individual’s opportunities within LYSL
- b) If you are a LYSL member and feel that you are being harassed while engaged in LYSL activities or if you are not a LYSL member but are being harassed by an LYSL member while they are engaged in LYSL activities, then report the behavior to the LYSL President or Director of Administration. Allegations of harassment will be promptly investigated and treated with the strictest confidence.
- c) Any LYSL member who engages in harassing behavior is subject to LYSL disciplinary measures.
- d) Anyone has the legal right at any time to raise the issue of harassment without fear of reprisal.

Livermore Fusion Soccer Club
Rules and Policies (Rs&Ps)

2.17 Sexual and Physical Abuse

This association opposes sexual and physical abuse. To the extent permissible under applicable law, the Board of Directors and members shall adopt procedures consistent with this policy consistent with criteria established by USSF.

2.18 Inappropriate Player Interaction

All coaches, assistant coaches, trainers and team officials are required to abide by this requirement. Inappropriate communication or physical contact with players is strictly prohibited. Social interactions with players less than 18 years of age (such as dating, parties without parental involvement and private one on one situations) are prohibited. Violations of these rules may result in immediate suspension from all LYSL activities and initiation of disciplinary proceedings.

Communication between coaches, assistant coaches, trainers and team officials to players should be public. Private emails, phone calls to players personal cell phones, or texting to players is forbidden. Group communication to two or more players is allowable. By avoiding private communications, there cannot be a hint of inappropriate communication.

Physical contact should be limited to that necessary and appropriate to teach a skill, treat an injury, console or congratulate a player. In the instance of teaching a skill, minimal contact should be involved and none which places the adult in a position of power or intimidation.

A participant (other than a parent or legal guardian) being alone in a one on one situation with a player is inappropriate. If an adult is alone with a player then the adult should do so in a visibly public site.

There are those participants who are expressive by using their hands to give a pat on the back, a rub of the head, or other acts of touching to show appreciation or indicate a job well done. In a public setting those acts, when not done in an overly familiar manner, are understood.

There should never be such touching in a one on one situation. Even the hint of inappropriate contact with a player may be enough to create an impression of inappropriate contact with children. Participants should act in a defensive mode so that there is no air of impropriety.

Each year, the LYSL Executive Board assesses the non-refundable portion and applies this to all refund requests.

Therefore, the amount is reduced the longer you wait to cancel your registration and apply for a refund.

- Registration thru May 31st, refund of 100% less administrative fee of \$35.
- June 1st thru July 15th, refund of 50%.
- After July 15th, no refunds permitted.

Premier Program:

Due to the nature of the year-long commitment and limited rosters, refunds will be considered only in extreme circumstances for the following reasons:

- Player moving out of the area.
- Severe injury or illness that prevents the player from participating for the remainder of the season (requires note from a physician).
- Player cannot be placed or is removed from a team.

No refunds after August 31st. Amount to be pro-rated at time of request for refund and reflect an administrative fee of \$100. *Administrative fee waived for team placement/movement refunds.*
