

# North Tartan Newsletter

It is time for all of us to move into the future of North Tartan basketball. Without even knowing one another we are instantaneously bonded by one common goal: the success of North Tartan basketball! Over the last few months the entire North Tartan staff has been diligently working on the 2015 season. Essentially, all of us are driven by the connection we make with our #ntfamily and the excitement that surrounds our club year after year. The North Tartan Area Girls Booster Club is to support, encourage, and advance your daughters towards a successful college career. We (North Tartan) have exceeded that expectation for over a decade and now it is time to work into the future.

## Registration 2015

Registrations for 2015 have begun. In fact, the "Captain" Matt Stueber has been testing out our new site and sign up and reports it is "10 X's" more efficient.

## AAU cards

AAU cards run September 1 through August 31 each year. While players routinely purchase cards throughout the spring I suggest you renew now and include your new AAU # with your registration.

## GAMES and Games

It is December... so please let Director Bill Larson and the rest of the North Tartan staff know what games to come to! Simply email : [northtartan@msn.com](mailto:northtartan@msn.com)

and send us the specifics. Especially note if there if there is a potential "milestone" that could be reached - 1,000 points, 1,000 rebounds, any accolades.

To The Players & Parents of North Tartan AAU:

Thank you again for selecting Anthony Travel to plan your 2016 foreign tour to the Netherlands, Belgium & France. While many of the details regarding your tour will begin to be developed next summer here are a few important things to think about:

### Registration

Registering for this tour is easy. The process can be completed via form attached to this email or electronically at:

## North Tartan Tour of Central Europe

June 2016, our club will be one of only a few youth travel teams to ever experience international basketball as we embark for 9 days traveling throughout Paris, Belgium and Amsterdam. The trip of a lifetime is open to all North Tartan athletes and families. Information about this trip is available by contacting Director Bill Larson or Matt Stueber.

- 3-4 games against FIBA International teams
- Guided sightseeing tours throughout some of the most beautiful and historic cities in the world
- Cross cultural international basketball adventure

## SPRING SUMMER TRAVEL

The majority of information pertaining to travel and room accommodations will be provided in March to all teams. However, there are a few teams traveling over the NCAA viewing period April 24-26 and it is never too early to start looking for flights. As you prepare to travel please note the closest airports to the gym and hotel are either Norfolk or Hampton / Newport News. Games start as early as 9:00am on Friday (arrive Thursday night) and will conclude mid-afternoon Sunday. A flight after 5:30pm is a "safe" call on the 26th.

Scott Dekart is the North Tartan travel coordinator. He has already solidified a block of rooms and will connect with everyone once teams are 90% registered. Scott's email is [sadekart@yahoo.com](mailto:sadekart@yahoo.com) !
