

Coaches,

I would like to take a quick moment to invite you and your high school soccer team(s) to the **16th Annual High School Showcase**, on July 20-22nd 2018.

My name is Matt Mayhew. I am the Director of Coaching for Sporting Indiana FC based in McCordsville, Indiana. We had a great Showcase last year with a great pool of teams to give all teams of all levels opportunities at quality competition. This allows you to see your players in a low-pressure, pre-season games with quality referees. Also, for the players looking at next level play to be looked at by college staffs. Aside of not being able to control weather, we received a lot of great feedback and we listened to your ideas to make this better.

FACILITY: The Showcase has officially outgrown our Soccer Facility in McCordsville and we are moving 3 minutes East to our Supplemental Fields, The [Marauder Soccer Complex](#), one of the nicer high school soccer facilities in the state. We have 5 fields, 1 being a lush Varsity field and another being our new turf field. There is ample parking, indoor restrooms and full-service concessions.

NEW PERKS: Like we said, we listened to your feedback. Here's some new perks.

White Board Session- Every team will have access to a white-board room to run a 30-minute session with their teams. This will allow you and your coaching staff to have a team meeting to recap the match or go over tactics, or just be in the air conditioning for a half hour.

Team sites- There are plenty of grass areas to setup a team base camp for warm-ups if needed. We will have plenty of concessions as well as the normal BBQ guy who is always a hit.

Parking- We now have plenty of parking for everyone, including buses. Parents and bus drivers will love this new perk. Spread the word!

POSITIVE HIGHLIGHTS: Some of the highlights going into the High School Showcase include: *top level officials, quality team of trainers and a JV bracket*. We hope to see you at the High School Showcase.
